Making something worn, outdated, and seemingly useless into something amazing is so much fun! Since having grandchildren, I have discovered how many pieces of furniture can be repurposed into play kitchens, play tool benches, a mini washer and dryer, and all kinds of unique and really cute "little people furniture." Both of my sisters are extremely artistic and take nasty looking furniture people have put out for the trash and make it into a shabby chic treasure.

Sometimes people feel worn out, outdated, and useless. This is so unfortunate and so unnecessary. Our senior citizens have a lot to share with all of us. They have experienced things that we have not and can bring events and places to life through their stories. My grandparents were amazing and taught me things that I have never forgotten. They shared their experiences and thoughts, and those messages come back to me frequently as I navigate difficulties in my life. No senior citizen should be mistreated or abandoned.

Sadly, some children are made to believe that they are useless and without value. This brings me to my knees. A child’s face tells their story. In some, fear, anger, confusion, and hopelessness are evident, and this is unacceptable. Every child should be able to play, dream, and celebrate this narrow window of time in life to be carefree and loved. When a child is broken, all of us will be impacted. Disillusioned children often times become adults who lash out and look to hurt others as they have been hurt and disappointed throughout their lives.

We can work together to change the future. This summer I challenge everyone to take time to reach out to a senior citizen. Help them, listen to them, and learn from them. Get to know a child who seems unreachable and let them know you care. Don’t give up because it will take time and energy to earn their trust and help them to see that you truly care. If each of us could change the outlook for even one person, there would be infinitely more hope for the future.

I pray that you have a blessed and fun-filled summer.
The mission of Center Line Public Schools is to provide all students relevant and challenging learning experiences to inspire success and empower them to be leaders of tomorrow.

Richard and Anthony, Panther football players, spent their Sunday at the Center Line Festival earning community service hours by helping to pick up the garbage that was left behind from the weekend’s event and helped represent at the Panther Football Club booth.

Community Connections

The Center Line Independence Festival was this past weekend and included the 1st annual Cruisin’ 53 Warren/Center Line car cruise on Saturday. The weather was great, the bands were awesome, and the food and fun abounded! Center Line Public Schools represented on Sunday Family Fun Day with several information booths including Panther Football, JROTC, EMS (complete with our emergency vehicles), and a district table manned with volunteers from central office, Academy 21, Moms & Dads Club, and Roose. Many thanks to those who volunteered to promote the district!

See more festival pictures and videos on the Center Line Festival Foundation Facebook page!
Retiree Recognition

At Monday’s meeting, the Board of Education recognized the following Center Line Public Schools’ retirees for their years of service to the district:

- Sharon Borowicz – 33½ years
- Holly Bowes – 24 years
- Janis Byrn - 27.5 years
- Paula Esler – 23 years
- Darlene Johnson – 19 years
- Sandra Keleel – 26½ years
- Barbara Latyszewski – 12 years
- Paula Price - 24 years

Since then, we have learned that two other awesome employees will be enjoying the retired life. Congratulations to Tony Bowman (31 years) and Patricia Cronin (13 years)!

Spring Athlete Recognition

Outstanding spring athletes were also recognized at the Board meeting. See the CLHS page for a list!

2019-2020 Meeting Schedule

The schedule for the Board of Education meetings for 2019-2020 has been set. We welcome members of the district and the community to attend. All meetings are scheduled to begin at 7:00 p.m. in the Board Room at 26400 Arsenal, Center Line, MI 48015.

- July 15, 2019
- August 12, 2019
- September 9, 2019
- October 14, 2019
- November 25, 2019
- December 9, 2019
- January 13, 2020
- January 27, 2020*
- February 10, 2020
- February 24, 2020
- March 9, 2020
- March 23, 2020
- April 13, 2020
- April 27, 2020
- May 18, 2020
- June 8, 2020
- June 22, 2020

*Joint meeting with City of Center Line, held at Center Line High School Media Center, 26300 Arsenal, Center Line, MI 48015.
We believe safety is the number one priority when it comes to our students and staff. Our district uses the most up-to-date methods and current research to keep our students and staff safe in all situations. In addition to the state mandated drills, our staff was fully trained in several additional safety measures this year. Our staff was trained in the ALICE (Alert, Lockdown, Inform, Counter, Evacuate) method to prevent active shooter fatalities, PrePlanLive to assist law enforcement with finding the problem area of a building and clearly communicating procedures with our staff, and TacPac a procedure for providing immediate care to control bleeding.

But, we aren’t done. We must plan for next year. Some questions to consider: How do we continue to inform our parents? How do we practice the drills with our students? How do we take a potentially horrific and scary topic and teach our students? How do we make expectations clear to all? The district will have a plan for the next year. But, we will need the help from our staff to ensure that our students (and staff) feel safe, secure, and protected.

Teachers and administrators have a responsibility to anticipate potential dangers and to take precautions to protect their students from those dangers. Every school’s Emergency Operating Procedure (EOP) should and does include courses of action that will describe how students and staff can most effectively respond to an active shooter situation to minimize the loss of life, and teach and train on these practices. In addition, EOPs should and do include ways to minimize injury to a staff or student. No single response fits all situations; however, making sure each individual knows his or her options for response and can react decisively will save valuable time. While it is sad that we must prepare ourselves for such dangerous situations, we are pleased to use the most current precautionary measures to ensure safety for everyone.

**Bond Update**

The construction fences are up, the old track has been torn out, and dirt is being moved! Starting on Monday, we will begin to see rapid progress on the new Peck Elementary with Early Childhood Center wing. The builders will recycle the old track materials to build a temporary work road and will begin laying the building pad and foundation with a target date of June 27. They will start with the gym structure and then work their way east.

Other upcoming work includes additional seeding/herbicide on the soccer field and work on the high school pool, with target date for the dehumidification system installation during the week of July 8.

Series 2 is quickly approaching, and preliminary discussions have begun regarding the high school bathroom renovations, upgrades and new construction to the “new Roose” (the current ECC), and the relocation of central office including the IT department. Keep watch on the website for summer updates, clps.org under the Bond Information tab.
Night Under the Stars

Last Thursday, Rising Stars Academy (RSA) held its annual Night Under the Stars fundraiser at Eastern Market. Founded in 2012 by Mark and Deb Prentiss, RSA is a school for students ages 18-26 with special needs, authorized by Center Line Public Schools. It provides a unique curriculum, rooted in the culinary arts, that promotes education, hands-on experience, and personal growth that helps its students become gainfully employed. At the event, RSA’s new logo was unveiled.

Deb stated, “It was a very successful event. Over 37 vendors came together to support our students. The icing on the cake was our Rising Stars students taking 1st place in the chopped style culinary competition. Next year’s event is already booked for June 4, 2020. See you there!”

CLHS Happenings

Sports Roundup

Spring sports have wrapped up, and many of our athletes have earned recognition for their individual accomplishments. Additional awards may be forthcoming. We are proud of our Panther athletes!

The following track athletes received All Conference awards: Nicole Hunt, Arielle Mathews, Jordan Miyamoto, Gabriel Ohngren, Diante Taylor, Eriarion Stephenson, Jakarris Vereen, Kayla White, Samuel Williams, and George Talley III. George also earned All County honors and qualified for state competition in shot put and discuss.

Four tennis players earned post season honors: Eiva Begum, All County Honorable Mention Singles; Sumaita Hasan, 2nd Team All County Singles, MAC All Conference; Farjana Islam, All County Honorable Mention; Aleana Scribner, All County Rookie Team Doubles.

Baseball players Alan Bladecki and Ryan Gaffke earned All District awards.

Softball were MAC Gold Champions, and Coach Ron Thomas received Coach of the Year: Alyson Allport—All League, All District; Breanna Callebs; Rachel Coolahan; Kimira Deaton; Hailey Farkas; Emma Hastings—Team MVP, Conference MVP, All League, All District; Abigail Kay; Autumn Kucharczyk; Emma Lautenbach—All League, All District; Jordan Pearcy; Nevaeh Shoemake—All League, All District; Madison Staat; Allison Zelinski—All League, All District; Isabella Zosel.
The 9th grade Honors Biology class received funds from the Wheels to Woods Grant and the BWET Grant. These allowed us to purchase scientific equipment and travel to Stoney Creek Metropark to participate in a Citizen Science project, Vernal Pond Testing. We tested soil pH, water temperature, the size of the pool, and collected a many different aquatic indicator species. We practiced our observation skills looking around the pool. The students enjoyed the hike, finding frogs and tadpoles, wearing waders and being out in nature. Our data will be submitted for scientists to use in their Michigan vernal pond monitoring program.
Center Line High School Class of 2019
Class of 2019 Honor Grads

Valedictorian
Mahbub Jahid

Salutatorian
Aleander Penucevski

Class President
Syeda Jamal

Distinguished Alumni
Senator Paul Wojno

Class of 2019

Acad-a-Me Awards

Most Sarcastic: Marcelle & Tamzid
Best Dressed: Jenna & Tamzid
Most Dramatic: Rodney & Alexis
Class Sleeper: Zaniyah & Nick
Most Likely to be Famous: Ryann & Camryn
Most Photogenic: Jenna & Mahbub

Cuteest Couple: Sean & Alexandra
Class Brainiac: Sara & Thomas
Most Likely to be Model: Myiah & Mahbub
Best Artist: Genevieve & Sebastian
Prettiest Eyes: Chris & Camryn
Best Hair: Maheen & Sha

1st To Leave Town: Danyae & Jalen
Worst Senioritis: Marin & Abigail
Most Athletic: Nick & Janae
Most Likely to be President: Xander & Syeda
Most Likely to Change the World: Syeda & Tamzid
Most Talkative: Malik & Amy

Most Outgoing: Jermond & Isabella
Class Personality: Nicole & Jashun
Most Charming: Janae & Ryan
Most Likely to be Late: Zaniyah & Joe
Best Laugh: Alexis & Hunter
Hall Wanderer: Shannon & Joe

Best Smile: Gia & Jalen
Most School Spirit: Geo & Syeda
Class Sweethearts: Sebastian & MelEaka
Class Clown: Gro Shan & Gia
Best Friends Co-Ed: Janae & Jermond
Most Changed: Sharvee & Jason

Most Gullible: Mohammed & Camryn
Most Likely to Join: Soroity/Fraternity: Nick & Caroline

Class Best Friends: Marcelle & Camryn
Class Best Friends: D’Tanne & Jermond
Best Singers: La’Tajiah & Gage
Best Dancers: Chris & Shannon

Week in Review, page 9
Mr. Martines and his class cut out 24 band notes for the 2020 graduating seniors of the CLHS band on behalf of the Band Boosters, who are grateful for their community service!

Miss Bretz (3/4 split) and Miss Dixon (2nd grade) partnered together this year as Buddy Classrooms. These are classrooms from different grade levels that meet routinely to create bonds between older and younger students. To end the year, they hosted a “Buddy Bon Voyage,” which included a variety of water balloon activities and popsicles and cookies! What a fun way to build memories and celebrate a wonderful year! See more pictures on the Roose PTC Facebook page.

Mrs. Carrie Miller wrote a CLPS Educational Foundation grant to have first graders explore math manipulatives and tools in Math Workshop to expand understanding of number sense, geometry, and measurement. Students were very enthusiastic about our new manipulatives and used their problem-solving skills to build three dimensional shapes, worked together to solve math puzzles, and practiced telling time and measuring in real-world situations. The Foundation offers teacher grants each fall.

CLPS Ed Foundation Grant in Action

Want a fun and easy way to support our teachers? Come to the CLPS Educational Foundation Golf Outing on Sept. 29! Proceeds support teacher grants and student scholarships. Early bird discount is available until August 19th. Not a golfer? Come for dinner and the fun, or sponsor a hole! See more details on the website at www.clps.org/apps/pages/golfouting.
The Early Childhood Center is pleased to announce a new member of the GSRP teaching team. Ms. Amy has been a GSRP Associate Teacher for 5 years at the ECC. She has filled in for the last 3 months as a lead teacher and was awarded the position for the 2019-20 school year. Ms. Amy has a great deal of experience and knowledge with children at the preschool level. She has done a phenomenal job stepping up for us these last few months, and the students have thrived! Joining Ms. Amy in the classroom will be Mrs. Cilia. Mrs. Cilia has worked with students at the elementary level in this district for 5 years and has been an associate teacher for our GSRP Half Day Program for 6 years. Mrs. Cilia brings a great deal of energy to the classroom and is always looking for fun, fresh ideas to engage the children. Both of these educators are terrific at building relationships with their students and families. We can't wait to see what they will accomplish together next year!

**Home Visits**

As part of the Great Start Readiness Program, teachers make home visits at the beginning and end of the school year. Ms. Jenifer and Mrs. Cilia are finishing up their home visits this week, thirty two of them! These visits give teachers the opportunity to see the child in their home environment and allow the child to share their experiences with the teachers. It is bittersweet for Ms. Jenifer and Mrs. Cilia, as they get one last contact with their students before sending them off to kindergarten. They even got a glimpse of what their students might be doing during their summer break, like continuing their learning through play, creating works of art, as well as exploring the world around them with activities like fishing or even jumping on a trampoline. Learning opportunities are endless!

**Vet Tech Visit**

Mrs. Karam and Ms. Johnson had a special guest visit their TBPS classrooms last week. Mrs. Laski, Leo's mom, came in to share her experience as a vet tech with the students to wrap up their animal study. Children were thrilled as she showed them how to check their animal's heart beat and wrap their little paws. Of course, they had to look the part with their very own face mask and cap. Empathy and taking care of others, whether it be animal or human, are always underlying themes in the classroom and can never be over emphasized!
Summer Program/Summer Bridge

This summer, we will once again be offering free summer school opportunities for our students through Title I federal funding and a grant from the Macomb Intermediate School District. Summer classes in math, literacy, and science will begin July 8th and conclude on August 8th. Students can choose am or pm sessions that will run Monday through Thursday. Free transportation and meals are included.

The program for students entering kindergarten through fifth grades will be housed at Roose, and this year the program for sixth through eighth grades will also be at Roose. Invitations were mailed to select students earlier this month; however, these summer school opportunities are now open to all students to help prevent summer loss and provide a summer school family!

For more information, contact Summer School Director Mary Binge at bingem@clps.org or visit clps.org under Resources/Summer Programs.

MEET UP and EAT UP

Healthy food to fuel your summer.

Center Line Public Schools announces the sponsorship of the Summer Food Service Program for children. Free meals will be made available to children 18 years of age and under or persons up to age 26 who are enrolled in an educational program for the mentally or physically disabled that is recognized by a state or local public educational agency. The meals will be provided without regard to race, color, national origin, age, sex, or disability, and there will be no discrimination in the course of the meal service. Meals will be provided at the sites listed below:

**June 17, 2019 – August 16, 2019**
Center Line High School
Breakfast 8:00 am - 9:00 am
Lunch 11:00 am – 1:00 pm
Monday – Thursday
Monday – Friday

Peck Elementary
Breakfast 8:00 am - 9:30 am
Lunch 11:00 am – 1:00 pm
Monday – Friday
Monday – Friday

**July 8, 2019 – August 8, 2019**
Roose Elementary
Breakfast 8:00 am - 9:30 am
Lunch 11:00 am – 1:00 pm
Monday – Thursday
Monday – Thursday

Attention Incoming 8th & 9th Graders

JROTC Summer Camp (JSC)

Here’s the low down, kids:
Come join JSC for fun activities listed for FREE!
- Leadership Reaction Course
- Health Class
- Sports Activities (Swimming)
- Introduction to Drill
- Earn your first rank
- Team building skills
- Leadership Lessons
- Awards Ceremony
June 17-21
Tuesdays, Wednesdays - 8am - 1pm

No JROTC enrollment obligation!
If you are enrolled in the program you’ll be promoted to Private and be ahead of the other 8th grade cadets!
Breakfast and lunch will be provided!
Sign up! Stay connected to receive more information.
If you have questions contact:
Training & Operations Officer CRU7 Spada Hussain: syedaahussain.27@gmail.com

Join us for field trips, free breakfast & lunch, crafts, fun activities and more! Summer Daze is proudly run by Center Line Public Schools and the Center Line Recreation Center.

**June 17 - August 23, 2019**
at Peck Elementary School

Registration is now open for kids ages 5-12 years. To sign up or for more information, call the Rec Center at 586-757-1410 or visit centerline.gov/244/Summer-Daze-Camp

# The Week in Review

The *Week in Review* is published every Friday during the school year.

Submissions are welcome and encouraged; email your pictures and news to Sue Pauling at paulings@clps.org by Thursday noon to guarantee inclusion in that week’s edition.
