

## Crandall ISD tip411 Program

### What is tip411?

tip411 is a digital toolset that enables members of our school community to submit anonymous tips to administrators via text message or a free app for [Android](#) or [iPhone](#).

Once a tip is submitted, administrators receive it and can respond back immediately to create a two-way anonymous "chat."

The tip411 system puts a powerful new safety tool into the hands of students, teachers, and parents.

### How does tip411 work?

Anyone with a cell phone can either send an anonymous tip via text message to Crandall ISD administrators by texting "CRANDALLISD" to 847411 or download the free "Crandall ISD Tips App" app for [Android](#) and [iPhone](#) to submit tips from their smartphone. This app also allows users to access important school information, social media channels, and more.

This system is 100% anonymous as tip411 removes all identifying information from the sender before administrators receive the message and there is no way to identify the sender.

### How can I use tip411?

#### 3 Simple Ways to Submit a Tip

##### 1. Text Message

Open a text message on any cell phone. Enter 847411 in the "To" field. In the body of the message, start the message with keyword "CRANDALLISD" then enter the rest of your message and hit send.

##### 2. Download our free Crandall ISD Tips app

---

- The Crandall ISD Tips App from tip411 significantly improves access to our schools' information.
- The app allows students and teachers to not only submit tips, but access important school information like safety alerts to help stay informed and connected.
- The Crandall ISD Tips App puts a powerful new tool into the hands of our students to help share information to protect their school. Students can help protect their hallways from the palm of their hand with our new, custom-branded app.
- We're asking students, and teachers to reach out when they have information about bullying, drug or alcohol use, potential criminal activity, or any other important information they need to share.
- This system is 100% anonymous – Any messages sent cannot be tracked as all identifying information is removed via a third party, our partner, tip411. This information cannot and will not be provided to us.
- We are introducing this new app at an exciting time – We are one of the first schools in the country to bring this new tool to our community to help better connect with our students and improve school safety together.
- Smartphone users can download this free app to submit tips from their iPhone or Android.
- Students and teachers are encouraged to download the Crandall ISD Tips App for free via the Google Play Store or iTunes App Store right now so the app will be on their phones, ready to help connect them with school administrators when they have information they need to share.
