From the Principal~

In December, our students took the MAP/NWEA and CBM/AIMSweb assessments. Students were also assessed using a Fountas and Pinnell reading assessment and Origo Math unit assessments. In January, our grade level teams will meet to look at this data, review our core instruction, and plan for students who need more individualized intervention.

We have been working on addressing students' social emotional learning needs as well. Social emotional instruction is embedded in our literacy curriculum and students participate in Second Step lessons in the classroom. In January, students will work with their classroom teachers and me to review our school wide expectations.

We are all looking forward to a wonderful 2019!

~Principal Smith

Upcoming Events:

Please do not attempt to pick up your child in the middle of the street.

Parking is available on the side streets, or cars can pull up to the curb, remain in the car, and pick up their child. Safety is our number one priority and we appreciate your cooperation.
