

How to Enable Pop-ups

Before continuing to the Online Registration process, you MUST allow pop-ups for this site. It will not affect pop-ups for other sites. This application works best in Firefox or Chrome. The use of smart phones, iPhones, tablets, or iPads is not recommended for this online application.

Firefox

1. Begin the Online Registration process via this [LINK](#)
2. After clicking BEGIN REGISTRATION, Firefox will notify you that a pop-up has been blocked across the top of the screen

A yellow notification bar with a red 'X' icon on the left and the text "Firefox prevented this site from opening a pop-up window." on the right.

Firefox prevented this site from opening a pop-up window.

3. Click the Options button in the upper right-hand corner of the screen

4. From that menu, allow popups from <https://cec914.infinitecampus.org>
5. You will be automatically directed to begin the Online Enrollment process.
