AND REMEMBER:

Leadership starts with us, but it's not about us. We are here to **SERVE OTHERS** through building positive school culture.

We accomplish this by **RECOGNIZING** and **CELEBRATING OTHERS'** attributes and accomplishments.

Every activity that we host must be **INTENTIONAL**. We are not task-masters trying to survive the year; we are an **OBSERVANT** team, working together to bring the student body what it wants to see.

You are also a **ROLE MODEL** on and off campus. Strive to embody the qualities that make up the IB Learner Profile. Strive to always be the best version of yourself. Practice self-love and self-care, and encourage others to do the same.
