Rainforest Trust works around the tropics to strategically purchase and protect lands vital for endangered species and indigenous communities. They specifically target the most threatened tropical habitats that are critical for preventing species extinctions and that are exceptionally rich in biological diversity. Celebrating 30 years of lasting conservation action, they have saved more than 18 million acres of tropical habitat across 40 countries in 130 protected areas and wildlife reserves.

A \$50.00 per child deposit is due for all returning students to secure your child’s enrollment. We now have open enrollment for new incoming students.

## Parking During Pickup

When parking in front of the house across the street, please do not park on the sidewalk. When children are unable to walk on the sidewalk they risk slipping and falling.

## God Bless America

The first through fourth grade are looking for pictures of Veterans from our school & congregation. These pictures will be shown (on a slideshow) on the night of the operetta.
