Special Education Director

DENIS A. ROUSSELLE

Superintendent

Dear Parents,

The Plaquemines Parish Special Olympics Athletics (Track & Field) Meet will be rescheduled due to recent developments tied to the global spread of COVID-19. Also, Special Olympics Louisiana is suspending games through March 31. This is due to the heightened risk for students and for those who are medically compromised.

With the testing window beginning in March and ending in May, Plaquemines Parish Special Olympics will be rescheduled for the fall of 2020.

Thank you for your patience and understanding as we strive to make decisions for the safety and well-being of our athletes.
