

Fayette CHIPS Sponsors Recognized

Once a year, Fayette County Public Schools attends a district leadership retreat to reflect on the past year, review any changes that may be implemented for the upcoming year, and just recharge with fellow colleagues. This leadership retreat is made possible through the generous donations of local businesses. Thank you for your continued support in growing a stronger leadership team for students and families.

Local Educator Selected to Participate in Ruby Payne Training

When Dr. Ruby Payne presented her famous Framework of Poverty training to Fayette County Public Schools educators in January, Fayette Ware educator Demarius Chearis volunteered to role play in a scene. Little did he know that the enormous amounts of laughter that ensued and the response from Dr. Payne would land him an invitation to participate in her certification training for A Framework for Understanding Poverty.

Students Seek Excitement and Knowledge at UTM Skyhawk Camp

A group of Fayette-Ware students seeking excitement and knowledge took part in the UT Martin Skyhawk Camp. The 2nd Annual Skyhawk Summer Academy afforded students a plethora of opportunities such as exposure to small animal veterinary science, interactions with all types of creatures both large and small, and boating on Reelfoot Lake. Thanks to UT Martin for providing these rich learning opportunities for students.
