Dear Parents/Guardians,

Summer is a time to for family and fun, and a time to step into good reading habits! We strongly encourage all families to ensure students are reading for at least 15 minutes (grades K-2) and a minimum of 30 minutes (grades 3-8) each day! In hopes that families and students will plan for daily reading time, we are pleased to share summer reading challenge options for Grades K-2 and Grades 3-5. For students entering Grades 6-8, students are strongly encouraged to read **at least two books** cover-to-cover this summer!

Please look for a link to this resource on the district website under the “Summer Learning” tab or go to:

Happy Reading!
