2019-2020

## Exciting News!

The Nutrition Group is excited to return for another year as the food service management company at Jeannette City School District! There is a new addition to our team! Cameron Williams, will be our new Food Service Director. He brings ten plus years of culinary experience, a warm smile & a positive attitude to the team and we are happy to have him.

We again appreciate the opportunity your district has given us & are eager to continue a partnership that will benefit the students and staff.

Warm regards,
