For Canvas, Parents login through:
- https://culver.instructure.com/login/canvas

You can choose “Forgot Password” if you are unable to login but have an account
- If you do not have a Canvas Parent account, you can create one through the app or the website this way:

- Creating an account via the web:
  - Go to https://culver.instructure.com/login/canvas
  - Click on banner that says “Parent of a Canvas User, Click Here for an Account”
  - Fill out the account registration form.
  - You will need your student’s pairing code, which can be generated in their Canvas account (see screen shots below)

- Create an account via Canvas Parent App
  c. Click “Find School”
  d. Type in “Culver City” and click on “Culver City Unified-Parents”
  e. Click “Create Account”
  f. Fill out your information then click “Start Participating”
     i. You will be required to provide a student Pairing Code which connects to your student’s Canvas account.
At the Culver.instructure.com/login/canvas page you can also create an account by clicking in the upper right hand corner. You must provide a pairing code here as well.

**Student pairing codes** can be found via “Settings” within Student accounts in Canvas- Pair with Observer.

Canvas can make your life a lot easier by tying itself in with the web tools you already use. Click any of the services in "Other Services" to see what we mean.

Let fellow course/group members see which services I’ve linked to my course.
