

I want to say thank you for all your help and support through-out this year. I could not have done my job as effectively

without you. Your child's progress and success depends greatly upon you. Thank you for the privilege of working with him/her and with you.

All registration slips, pictures and/or money, library books or fines and any little reading books need to be returned. We still have some of each of these out.

Important Reminders:

-No school on Monday, May 27th due to Memorial Day.

-Please return all library books

-Early dismissal (2:05) next *Wednesday, Thursday, and Friday.*

-Friday, May 31st, is the last day of school.

Your child's Progress Reports will be coming home next Friday, May 31st. Please review it carefully and look over areas that indicate further support and practice is needed. It is extremely important that you continue to help your child over the summer months. Many skills can be lost over the summer if they are not reviewed often. Please take the time to read to your child DAILY and have them continue to practice the tricky words required for first grade. Your guidance and support will help make the transition into first grade much more successful for your child!
