HONORING SUNRISE ACADEMY ON ITS NEW SCHOOL

On behalf of the members of the Senate of the 133rd General Assembly of Ohio, we are pleased to pay tribute to Sunrise Academy on the opening of its new high school.

The only chartered Islamic school in Central Ohio, Sunrise Academy has achieved an outstanding record of excellence, and it is valued for its commitment to providing myriad opportunities for its students to prosper. Indeed, the school has never experienced a shortage of able instructors and efficient administrators who could be relied upon to nurture and enrich their students, and the opening of its new high school facility shows how the community has joined in addressing the needs that have arisen as a result of its progressive growth.

Operated by the Islamic Society of Greater Columbus, Sunrise Academy has continuously championed impressive standards, and the remarkable people who currently direct and sustain it have demonstrated exceptional initiative in supporting such edifying works as the construction of this high school and its surrounding campus. All those associated with the institution have upheld the importance of educating and improving the quality of America's next generation so as to prime them for success.

Thus, it is with great pride that we applaud Sunrise Academy on its new high school and look with optimism to a future that reflects its significant contributions to the area.
