

Meads Mill Middle School Student-Run Credit Union

Dear Meads Mill Middle School Students and Parents,

Meads Mill Middle School invites you to participate in our partnership with Community Financial. This partnership encourages personal financial responsibility by providing students with a student-run credit union and classroom presentations at Meads Mill.

Students learn hands-on life skills by saving their money at the Meads Mill Student-Run Credit Union. Select 7th grade students, in the Math Enrichment class, will operate the student-run credit union. These students learn valuable skills as they process transactions for student members under the assistance of credit union personnel.

Information:

- **You may open an account at any time.** The Meads Mill Student-Run Credit Union will be open on selected days during the school year. Your welcome letter will include all deposit dates.
- **These are actual savings accounts** which may be accessed at any Community Financial branch during regular hours of operation, online, and at the student-run credit union at Meads Mill.
- These accounts will have **no monthly service fee and no minimum balance required.**
- Students will receive a receipt at the time of deposit and monthly statements will be mailed home.

To Participate:

- **Existing members:** If the student currently has an account at Community Financial, please complete the information below and return to the school office or fax to Julie Blaylock at the number below.
- **New student members:** Please visit **cfcu.org/scu** to open an account online. You may also open an account by calling (734) 453-1200 or visit a local branch.
- **Note:** The student is the first member on the account. Dividends will be reported to the student's social security number. One parent/guardian must be joint on the account, both are welcome.

We encourage all students to participate in this unique and rewarding experience in order to increase their personal financial education and to help the student volunteers learn career skills. If you have any questions or comments, please feel free to contact:
