

INTER-DISTRICT ATTENDANCE AGREEMENTS

The Superintendent or designee may approve inter-district agreements for the following reasons:

1. To meet the child care needs of the student. Once a student has been admitted to a District school or feeder elementary schools on the basis of child care needs, continued attendance may be denied only when based on restrictions specified in Education Code 48204. (Education Code 46601.5)
2. To meet a child's special mental or physical health needs, as certified by a physician, school psychologist or other appropriate school personnel.
3. When the student has brother(s) or sister(s) attending school in a receiving District, to avoid splitting the family's attendance.
4. To complete a school year when parents/guardians have moved out of the District during that year.
5. To allow students to remain with a class graduating that year from an elementary, junior or senior high school.
6. To let seniors attend the same school they attended as juniors, even if their families moved out of the District during the junior year.
7. When there is valid interest in a particular educational program not offered in the District of residency.
8. To provide a change in school environment for reasons of personal and social adjustment.
9. A student who has been determined by personnel of either the District of residence or the District of proposed enrollment to have been the victim of an act of bullying committed by a student of the District of residence shall, at the request of the person having legal custody of the student, be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, be given additional consideration for the creation of an interdistrict attendance agreement. (Education Code § 46600(b).)

Inter-district attendance agreements or applications shall not be required for students enrolling in a ROP program. (Education Code 52317)

A student's inter-district agreement may be revoked because of excessive truancy or continual disruption of the educational program.

Denial of Inter-district Transfer Agreement

The parent/guardian of a student who is denied a transfer requested pursuant to Education Code 46600-46611 shall receive timely notice, in accordance with law, regarding the process for appeal to the County Board of Education. This notice shall be provided by the District denying the request, or, in the absence of an agreement between the Districts, by the District of residence.

Students who are under consideration for expulsion or who have been expelled may not appeal inter-district attendance denials or decisions while expulsion proceedings are pending, or during the term of the expulsion. (Education Code 46601)
