

University of Family Learning (UFL)

Course Catalog

2018-2019

The **University of Family Learning (UFL)** is an opportunity for adult family members of current and future CCSD students to access valuable educational, networking, and parent leadership information and opportunities that will increase both family and student success. We invite family and community members to participate in a variety of courses and workshops that support student and family success. Every UFL course or workshop offers credit for hours of participation. Parents who meet the yearly goal of fifty (50) credit hours are recognized at an end-of-year "Ceremony of Achievement".

Contact your **Family/School Liaison (FSL)** or **Family Outreach Specialist (FOS)** for more information and to host a class at your school or site.

Catalog Symbols:

	<p>“Superintendent’s Selections” - Look for this symbol to see courses recommended by Superintendent Dr. Jesus Jara.</p>
	<p>Mini-Workshop Available – Look for this symbol to see courses available in a 30-minute format. The 30-minute version presents a small glimpse of the full version. (Ideal for SOT Meetings, PTA/PTO Meetings, Coffee with the Counselor, Park & Learn, Pastries with the Principal, etc.)</p>
	<p>Suggested for After School/Evening – In addition to school hours, classes with this symbol lend themselves to an after-school setting as they present activities where adults and children could learn together.</p>
	<p>Online Course – An abbreviated video version of our in-person workshop is available online. This online format allows a facilitator/staff member to pause and facilitate an interactive discussion.</p>
	<p>New Course – This course is a new addition to our course catalog.</p>
	<p>Updated Course – This course is an updated version of an existing course.</p>
	<p>YouTube Preview Available – Click here or scan this QR Code to access our YouTube Channel to view 1-minute previews.</p> 

Parents as Teaching Partners

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
326 	Dare to Dive Into Data <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	Dive into activities that provide opportunities to collect, organize, represent, and interpret data. Take a closer look at surprising results in real-world applications, by collecting and graphing data sets.	Families with students in grades 3-8	1 hour session
327 	Data and DESMOS: The Perfect Ordered Pair <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	Data fluency is a must-have skill set in today's digital workplace. Success starts with knowing how to find the meaning in every dataset. Explore math with DESMOS, a free graphing calculator!	Families with students in grades 6-12	1 hour session
329 	Drop. Stop. Don't Pop! Launching into Design and the Scientific Process <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	Inspire future scientists and engineers! Families will work as an engineering team to build an amusement park ride with inexpensive materials. Parents will learn how to work with their children and guide them in creating a science and engineering board with success.	Families with students in grades K-8 (Adults and children may attend class together) <i>Session limited to 100 participants per event</i>	1 hour session 
514 	Help Support Your Child to Focus on Learning	Nevada PEP	Do you find that homework and other tasks can be challenging for your child to complete? Learn about the difficulties children have with focusing, their different learning styles, and strategies that can help you help your child focus better. <i>(This training is geared toward families with children with all disabilities. Nonetheless, the material is accessible to all parents interested in learning about supporting their children in literacy.)</i>	Families with students in grades K-12	1-1.5 hour session
318	Language Development at Home and at School <i>Recommended for ELL Cohort C Schools but available to ALL schools</i> <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	This session will provide parents and caregivers an understanding of how students are identified as an English Language Learner based on their language development levels. They will learn the difference between social and academic language and will engage in interactive games to promote academic conversations in everyday interactions.	Families with students in grades PK-12	1 hour session

Revised December 2018

*Unless otherwise stated, all courses may be delivered simultaneously in Spanish through the use of translation equipment. Contact your FSL or the UFL Campus for further information.

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
105M	Preparing Your Child for Standardized Testing in Middle School	CCSD FACES	Testing is required in all CCSD schools for two main purposes. One is to find out how well an individual student is learning in the classroom. The other purpose is to find out how well the school is meeting local and national benchmarks for student achievement. Assessment examples and ways parents can help relieve test anxiety, stress, and pressure will be presented.	Families with students in grades 6-8 <i>(Adults ONLY)</i>	45 minute – 1 hour session
310 	Reading Hints for Early Teens & Tweens <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	This session will provide parents and families an understanding of literacy and strategies to build academic language at home. Parents will also learn ways to motivate their children to read and enjoy informational text and literature.	Families with students in grades 6-8	1 hour session
316 	S.T.E.M. Engineering Adventures Science, Technology, Engineering & Math <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	This course is designed to spark interest in Science, Technology, Engineering, and Math practices. Parents will experience engineering challenges such as building a water tower, a parking garage, and a house, using inexpensive materials. Parents will receive materials to engage their family in similar challenges at home.	Families with students in grades PK-8 <i>Session limited to 100 participants per event</i>	1 hour session 
125MH 	Stop Summer Slide! Ideas to Continue Learning During the Summer (Secondary)	CCSD FACES	No matter their age, it's important for ALL kids to keep learning over the summer. Our FACES team will share important steps and resources to help keep tweens and teens on track to graduate prepared for college or career.	Families with students in grades 6-12	45 minute – 1 hour session 
302	Textbook Detective <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	A textbook is a powerful tool in increasing comprehension of material in content areas. This course offers strategies to help your child navigate a textbook/eTextbook effectively.	Families with students in grades 6-12	1 hour session

Navigating the School System

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
102 	"Can We Talk?" Effective Home-School Communication Available in ONLINE FORMAT here! 	CCSD FACES	This informative workshop will teach you how to create an authentic partnership with your child's school and teachers every year. Thanks to email, school websites and social networking sites, families and educators communicate with each other more easily and frequently. Additionally, the session will present the steps to take if there is a breakdown in communication in the Clark County School District.	Families with students in grades PK-12 <i>(Adults ONLY)</i>	45 minute – 1 hour session 
103MH  	Attendance Matters: Helping Your Child Succeed in School (Secondary) <i>Recommended for ELL Cohort C Schools but available to ALL schools</i> Available in ONLINE FORMAT here! 	CCSD FACES	Good attendance isn't just about school policies; it is an important part of school success. There is a strong link between regular, consistent attendance and student achievement. Absenteeism is a red alert that students will drop out of high school. Come and learn what attendance includes, why it's important and how to develop family routines.	Families with children in grades 6-12 <i>(Adults ONLY)</i>	45 minute – 1 hour session 
337 	CCSD Food Service: What's Cooking in School Kitchens?	CCSD Food Service	Do you ever wonder what's cooking in school kitchens? Well you are in luck! In this course, you will learn about how school menus are created, where the food comes from, nutritional requirements for school meals, smart snack nutritional requirements, special meals, and so much more.	Families with students in grades PK-12	45 minute session
543	College: Preparing & Paying for the Future	CCSD FACES in partnership with The Public Education Foundation	Higher education can be costly so it's best to prepare. This workshop will help families learn how to prepare and pay for the costs associated with earning certificates and degrees after high school.	Families with students in grades 6-12 (Adults and students are encouraged to attend class together)	1 hour session

Revised December 2018

*Unless otherwise stated, all courses may be delivered simultaneously in Spanish through the use of translation equipment. Contact your FSL or the UFL Campus for further information.

Course Number	Course Name	Presenter	Course Description	Target Audience	Course Length
512	Considering College? Learn What's Available and How To Get It	Nevada PEP	Have a student who is thinking about going to college? This workshop will guide you where to go, what to ask, and how to apply to help you support your student as they get ready for the next chapter as a college student. Parents and students are encouraged to attend this workshop together. <i>(This training is geared toward families with children with all disabilities. Nonetheless, the material is accessible to all parents interested in learning about supporting their children.)</i>	Families with students in grades 9-12 (Adults and students are encouraged to attend class together)	1-1.5 hour session
321	Get College Ready vs. College Eligible	CCSD Equity and Diversity Education	Attendees will learn what it means to be "college-ready" and where high school students currently stand on that score. The presentation will provide information/resources regarding the sets of knowledge and skills needed for college access.	Families with students in grades 9-12 (Adults and students may attend class together)	1 – 1.5 hour session
536 	How To Pay for College	UNLV/CAEO TRIO EOC Program	Individuals will learn of the various types of Federal Student Aid, which provide students financial assistance in the forms of grants, loans, and work-study. We will discuss subsidized and unsubsidized loans and review the FAFSA (Free Application for Federal Student Aid).	Adult family members of CCSD students and High School Seniors	45 minute session
104   	Infinite Campus Parent Portal Workshop <i>Available in ONLINE FORMAT here!</i> 	CCSD FACES	The Clark County School District utilizes a web-based system to help you more effectively monitor the progress of your child. This system provides detailed, real-time information, including: demographics, schedules, assignments, assessment scores, calendar, grades, attendance, graduation progress, academic planner, to do lists, reports, and district and school notices. <i>(Preferred setting: Computer Lab)</i>	Families with students in grades PK - 12  <i>(Allow for additional time if parents will have hands-on experience.)</i>	30-45 minute session
304	Insight into Graduation Requirements <i>ONLINE FORMAT coming soon!</i>	CCSD FACES in partnership with CCSD Guidance & Counseling	This course guides parents through the graduation requirements in CCSD. We will cover Infinite Campus, the CCSD transcript, Graduation Programs, diploma types, and additional testing and course requirements. All parents of high school students and those entering high school are welcome to attend and will leave with the knowledge that will assist them in helping their child graduate from high school.	Families with students in grades 6 - 12	1.5 hour session

Revised December 2018

*Unless otherwise stated, all courses may be delivered simultaneously in Spanish through the use of translation equipment. Contact your FSL or the UFL Campus for further information.

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
328	Is Your Child Future Ready?: Exploring Magnet, Select, and Career & Technical Schools	CCSD Magnet Schools and Career & Technical Academies	Parents will learn about the many choice options in CCSD that include magnet programs, Select Schools, and Career and Technical Education opportunities. By participating in one of these programs, students can get a jump start on their future and be college and career ready.	Families with students in grades PK – 12 (Adults and students may attend class together)	30 minute – 1 hour session 
426 	Juntos Family College Preparedness Workshops	UNCE	<i>Juntos</i> (pronounced “who-n-toes”) means “together” in Spanish. This program works to unite community partners to provide students and their parents with knowledge, skills, and resources to prevent youth from dropping out. Families will learn how to work together to gain access to college.	Families with students in grades 6-12 (Adults and children may attend class together)	Six 1 hour sessions
113 	Learning With Technology	CCSD FACES	Technology is changing how students learn! Across the nation, students in all grade levels are using desktops, laptops, tablets, smartphones and more to share and gather information from teachers and peers from all over the world. This course will alert parents of some of the new ways educators are teaching with technology and help parents be aware of how they can support this new format of learning at home.	Families of students in grades 3-8 <i>(Adults ONLY)</i>	45 minute – 1 hour session
319	Our Journey Together: Success for all Students <i>Recommended for ELL Cohort C Schools but available to ALL schools</i> <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	The Clark County School District Master Plan for English Language Learner Success was created to ensure all students achieve. Come to this session to learn how the ELL Master Plan was built to ensure that students graduate college and career ready.	Families of students classified as English Language Learners	1 hour session
534	Planning for Change: School to Adult Transition	Nevada PEP	This class will provide information on the areas related to transitioning from student to adult (ages 14-22), including post-secondary. Both students and parents are invited to learn how to prepare for the Individualized Education Plan (IEP) and take an active role at the IEP meeting as they transition to adulthood. <i>(This training is geared toward families with children with all disabilities.)</i>	Families with students in grades 6-12 receiving Special Education services (Adults and students are encouraged to attend class together)	1-1.5 hour session

Revised December 2018

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
545	Scholarship Application Tips	The Public Education Foundation	Fill your toolbox with tips about the five main “ingredients” for scholarship applications and discuss where, what, and for which scholarships to apply.	Families with students in grades 6-12 (Adults and students are encouraged to attend class together)	1 hour session
117	Transitions in Education: Preparing for High School	CCSD FACES	The transition to high school can be overwhelming. This workshop will provide you with information and resources to support your child's academic progress. Learn about the various high school options within the District and the multiple course offerings that are available to CCSD students.	Families with students in grades 8-9	45 minute – 1 hour session
119	Transitions in Education: Thriving in Middle School	CCSD FACES	Middle school children may be experiencing many changes during these years both academically and personally. They may be starting more strenuous course work while also forming more social connections. Many children in this age group experience growth spurts as they move into adolescence. This workshop will provide ideas to help support your child's personal and academic development.	Families with students in grades 6-8	45 minute – 1 hour session
508 	Understanding Individualized Education Plans (IEP)	Nevada PEP	Parents are key members of their child's IEP team. This workshop includes an in-depth look at the Individualized Education Plan (IEP), including how to use evaluations to write measurable goals, as well as strategies to help parents be more active in their child's IEP meetings. <i>(This training is geared toward families with children with all disabilities.)</i>	Families of students receiving Special Education services	1-1.5 hour session
331 	Unity in Diversity: A Long-Term English Language Learner Framework <i>Recommended for ELL Cohort B Schools but available for ALL schools</i> <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	<i>Unity in Diversity: A Long-Term English Language Learner Framework</i> shares supports that help accelerate the achievement of academic language for long-term English language learners. Equip yourself with the tools and resources to begin exploring career options for your child.	Families of students in grades 3-12 who are English Language Learners	1 hour session

Revised December 2018

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
330	Unity in Diversity: A Newcomer Framework <i>Recommended for ELL Cohort B Schools but available for ALL schools</i> <i>Interpretation may be available in: Swahili, Farsi, Arabic, Amharic, Tigrinya, French, Spanish, & Tagalog</i>	CCSD ELL	<i>Unity in Diversity: A Newcomer Framework</i> will assist you and your child in making a smooth transition into the school community. Equip yourself with the knowledge necessary to navigate new educational experiences and find out about the supports available to promote the success of your child.	Newcomer families who have recently arrived to the United States	1 hour session
335	What's Next? Exploring Opportunities after High School	CCSD Career & Technical Education	Learn about options available to all students after they complete high school such as internships, apprenticeships, job-training programs, certifications, credentials, and more.	Families with students in grades 6-12 (Adults and children may attend class together)	30-45 minute session
544 	Writing Resumes and Essays for Scholarships	CCSD FACES in partnership with The Public Education Foundation	Explore in-depth tips and tricks for writing resumes and essays to obtain scholarships successfully. Participants will leave with a resume of their own and explore successful essay submissions.	Families with students in grades 9-12 (Adults and students are encouraged to attend class together)	1 hour session

Parent Leadership

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
301 	Anti-Bullying Tips for Parents & Families	CCSD Equity & Diversity Education	This workshop is designed to support community members with gaining knowledge on building a safe, secure, and respectful learning environment for all students. The school district strives to address bullying and cyberbullying so that there is no disruption of the learning environment and learning process.	Families with students in grades PreK-12	1.5 hour session
322	Bicycle and Pedestrian Safety Clinic – Train the Trainer Workshop	CCSD Safe Routes to School	The Train the Trainer Workshop teaches participants how to organize and hold successful bike rodeos for students at their school or other location. Bike rodeos teach students fundamental bicycle handling skills in a structured format. Workshop participants learn how to plan and organize a tailored bike rodeo; select and set-up stations; enlist volunteers and sponsors; time management strategies and more! <i>Hours spent organizing and leading a bike rodeo will be documented for University of Family Learning certification hours up to 5 hours.</i>	Families with students in grades PreK-8; Parent Groups	1.5 hour session
502	Bullies, Targets & Bystanders: Responses That Work	Nevada PEP	Join us as we discuss the dynamics of bullying, including what bullying is, types of bullying, who is bullied, and why children are bullied. Other topics include steps to intervene in bullying behavior, how to encourage students who witness bullying to take action, the role of the school, and laws and policies. Don't miss this valuable training to learn about the steps parents can take to stop bullying. <i>(This training is geared toward families with children with all disabilities. Nonetheless, the material is accessible to all parents interested in learning about supporting their children.)</i>	Adult family members of CCSD students	1-1.5 hour session
541 	Bullying Prevention and Warning Signs	Anti-Defamation League	This course is designed to give parents a basic understanding of what signs and symptoms to look for in their child regarding bullying. It will also give parents and families and opportunity to learn what steps they can take at home to prevent bullying, how to report it, and the state laws regarding bullying.	Families with students in grades PK-12	1.5 hour session
556 	Bullying Prevention and Warning Signs 2.0	Anti-Defamation League	After parents have taken part in the first course, this session is designed to bring students into the conversation to discuss bullying issues on campus and what they can do to help stop bullying and hurtful behavior when they see it. Parents will also have a chance to review resources and steps to help make their student feel empowered when they encounter bullying.	Families with students in grades PK-12 (Adults and children may attend class together) 	1.5 – 2 hour session
333 	Girls in S.T.E.M. Science, Technology, Engineering & Math	CCSD Career & Technical Education	Statistics vary by country and by discipline, but generally speaking, women make up a significantly smaller percentage of the current STEM workforce, and the gap is broadening. This course emphasizes the importance of encouraging and supporting young girls in STEM and technology subjects in school and beyond.	Families with students in grades 6-12 (Adults and children may attend class together)	30-45 minute session

Revised December 2018

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
332 	Most Wanted: Trending Apps Used by Teens for Cyberbullying	CCSD Equity & Diversity Education	<p>Social media and apps serve as a platform to help kids communicate, connect with others, share their feelings, form study groups and much more. However, social media and apps can be used for cyberbullying. Kids are able to use these free apps to search for people and share information about others anonymously.</p> <p>In this training, parents will have the opportunity to understand the definition of cyberbullying. Parents will download and learn how to use the top applications/social media platforms kids are using for cyberbullying. Most importantly, parents will get an overview of how to promote upstander and digital leadership behaviors with their children.</p>	Families with students in grades 4-12	1.5 hour session
323	Organizing a Walking School Bus or Bike Train at Your School	CCSD Safe Routes to School	<p>Walking school buses combine safety and fun with the walk to school. A walking school bus is a group of children walking to school with one or more adults. This course will outline the benefits of starting a walking school bus (including improved attendance rates) and deciding if a walking school bus is the right fit. Examples of successful walking school buses in CCSD will be presented.</p> <p><i>Hours spent organizing and leading a walking school bus or bike train will be documented for University of Family Learning certification hours up to 40 hours.</i></p>	Families with students in grades PK-8	1 hour session
126	Parent Organizations: The Choice is Yours <i>School Administration must be present at workshop</i>	CCSD FACES	<p>It doesn't take much time to get a parent-teacher organization started. Find just one parent in your school/community to take the lead, and before you know it, there will be a group of dedicated parents doing what parent teacher organizations do best: providing resources and programs to all families, students, teachers, and school staff. In six steps you can create the organization that works best for your community. FACES has prepared sample materials and gathered resources to guide you as you and your team build the foundation of engaged and committed parent leaders.</p>	Families with students in grades PK-12; Parent Groups	1 hour session
128	Raising a Digital Leader	CCSD FACES	<p>This workshop provides information on how to keep children safe while using the internet. Learn how to be a positive Digital Leader, set boundaries and rules, and how to avoid common internet scams. Families will also review CCSD's internet usage rules and regulations.</p>	Families with students in grades PK-12	1 hour session
506	Safe and Secure Online	NV Energy	<p>This course is designed to provide participants with cybersecurity education and awareness training in order to secure their online lives. Participants will learn how to look for signs of technology based problem and threats, and how to protect themselves and their children from online predators. The instructor will use research-based information to assist family members to become responsible digital citizens.</p>	Adult family members of CCSD students	2 hour session

334	TECHNOLOchicas <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD Career & Technical Education	This course is designed to raise awareness among young Latinas and their families about opportunities and careers in technology. TECHNOLOchicas uses the powerful stories of Latinas from diverse backgrounds, who are in technology fields, and recognize the power of innovation to change the world. This course highlights the importance of encouraging and supporting young Latinas in STEM and technology subjects in school and beyond.	Families with students in grades 6-12 (Adults and children may attend class together)	30-45 minute session
533 	The Dark Side of Social Media	Las Vegas Metro Police Dept.	What every parent needs to know about the negative impact social media can have on their children and how they can protect them.	Adult family members of CCSD students; Large crowds <i>(After School ONLY; Students ages 14 and older are allowed to attend with their parents)</i>	1.5 hour session 

Family Wellness & Development

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
325	Active and Healthy Families: Special Events and Programs to Boost Physical Activity	CCSD Safe Routes to School	The Safe Routes to School (SRTS) program facilitates several events each school year to encourage students and parents to be physically active. In addition to highlighting these events and programs, the course will cover the relationship between physical activity and academic achievement; and how parents can take a leadership role in planning and organizing a special event at their child's school. <i>Hours spent organizing and leading a Walk N Roll program will be documented for University of Family Learning certification hours up to 5 hours.</i>	Families with students in grades PK-8	1 hour session
507	Avoiding Scams and Identity Theft	Money Management International	This workshop will define a scam, identify rip-offs and unwise decisions, and review the billions of dollars lost by consumers. Participants will learn why schemes don't work and will be provided with information for filing complaints. We will discuss scams such as charity solicitations, fraud through mail. Credit repair, travel scams, work at home, pyramid sales, grocery delivery services, and predatory lending. The workshop cautions consumers of the many tricksters whose attractive schemes and offers could prove to be costly.	CCSD High School Students and Adult family members of CCSD students	1 hour session
539	Budgeting, the Psychology of Money	Universal Retirement	Understand why you think about money the way you do. Learn how bad money habits can be overcome. Take control of your money by creating a budget and learning how to live within your financial limits. It is not about how much money you make, but how much money you spend.	Adult family members of CCSD students	1 hour session
201a 	Conversational ESL: English as a Second Language (ESL) for Adults <i>Ongoing at FACES Family Engagement Centers (FECs)</i>	CCSD FACES	This interactive course introduces adults to basic structures and vocabulary of the English language through the skills of reading, writing, speaking, and listening. Students learn strategies in order to advance their reading, listening, and pronunciation skills. This workshop changes each session and varies at each FACES Family Engagement Center.	Adult family members of CCSD students	Varies by location
201c	Conversational Spanish: Spanish as a Second Language for Adults <i>Ongoing at select FACES Family Engagement Centers (FECs)</i>	CCSD FACES	This interactive course introduces adults to basic structures and vocabulary of the Spanish language through the skills of reading, writing, speaking, and listening. Students learn strategies in order to advance their reading, listening, and pronunciation skills. This workshop changes each session and varies at FACES Family Engagement Centers.	Adult family members of CCSD students	Varies by location

551 	The Impact of the Games We Play	Nevada Council on Problem Gambling	Las Vegas is the gaming entertainment capital of the world, with opportunities to gamble on every corner, and one of the highest prevalence rates of problem gambling in the nation. Video games are now the fastest growing entertainment media, generating more sales than the movie and music industry combined, and not surprisingly, video gaming addiction is on the rise for both youth and adults. This seminar will discuss the difference between healthy recreation and problematic gambling/gaming, make parents and children aware of the signs and symptoms of gambling/gaming addiction, and shed light on the impact of these problems on adults, children, and the family as a whole. Participants will be provided information on available community resources for individuals and their family members who are dealing with a gambling or a gaming problem.	Adult family members of CCSD students	1.5 hour session
