

## CLUB RUSH GUIDELINES

- 1) Tables will be provided and set up by ASB. Each table will be labeled with the club name.
- 2) **Students are NOT to be released from class to set up.** They should arrive at the beginning of lunch and be there to represent their club. Do NOT send students to the Circle Area before lunch.
- 3) Each club should have **no more than two students at the table at all times.**
- 4) Clubs should provide their own poster to decorate the table. Clubs may hand out "goodies," but those must be purchased "goodies" and not homemade. There is no regulation about what can be handed out.
- 5) Clubs should also bring their own sign-up sheets.
- 6) Clubs should clean up anything they bring to the Circle Area (please leave tables and area clean).
- 7) ASB will provide music in the area; please do not have your club playing music in the Circle Area.
- 8) Please remind your club members not to "hang out" at the club table as this doesn't allow new students to talk with the club representatives and to visit a variety of clubs. ASB students will be asking students to leave if too many students are crowding any one table.

Thank you for your cooperation,
