

2018 Entering K-5 Summer Math Information

Want to keep your child's math skills sharp and ready for the new school year? Students can lose as much as one to two months of learning during the down time of summer. All young people experience learning losses when they do not engage in educational activities during the summer. Research spanning 100 years shows that students typically score lower on standardized tests at the end of summer vacation than they do on the same tests at the beginning of the summer (White, 1906; Heyns, 1978; Entwisle & Alexander 1992; Cooper, 1996; Downey et al, 2004). Though summer vacation should be a time for leisure and doing those fun activities that only summer can bring, we encourage our students to read and exercise those skills learned in math in order to keep those skills fresh. Each grade level's requirements are listed below.

If you have questions regarding Summer Math, please contact Mrs. Uible at juible@allsaintsjupiter.org.

Grade Level	ENTERING K-6 Math Requirement
Pre-K entering Kindergarten REQUIRED	Teacher created practice packet <ul style="list-style-type: none"> • Math/ELA Packet will be sent home with students • The packet is available for download on the school website under 'Parents' or 'Students' Tab in Summer Reading & Math section as well as under 'News' section of the school website.
Kindergarten entering First REQUIRED	 Summer Solutions Common Core Mathematics Workbook Kindergarten Level <ul style="list-style-type: none"> • Purchase Kindergarten Level • Available online at Summer Solutions website: www.summersolutions.net
First entering Second REQUIRED	 Summer Solutions Common Core Mathematics Workbook Level 1 <ul style="list-style-type: none"> • Purchase Level 1 • Available online at Summer Solutions website: www.summersolutions.net
Second entering Third REQUIRED	 Summer Solutions Common Core Mathematics Workbook Level 2 <ul style="list-style-type: none"> • Purchase Level 2 • Available online at Summer Solutions website: www.summersolutions.net

<p>Third entering Fourth REQUIRED</p>	 <p>3 Summer Solutions Common Core Mathematics Workbook Level 3</p> <ul style="list-style-type: none"> • Purchase Level 3 • Available online at Summer Solutions website: www.summersolutions.net  <p>In addition to the summer math workbook, it is very important that all students know and quickly recall their basic facts of multiplication 0 – 9. ** Please refer to Entering Fourth Grade Summer Math letter below for more information **</p>
<p>Fourth entering Fifth REQUIRED</p>	<p>Students entering 5th grade (On-Level)</p>  <p>4 Summer Solutions Common Core Mathematics Workbook Level 4</p> <ul style="list-style-type: none"> • Purchase Level 4 • Available online at Summer Solutions website: www.summersolutions.net  <p>Students entering 5th grade (Accelerated Math)</p>  <p>5 Summer Solutions Common Core Mathematics Workbook Level 5</p> <ul style="list-style-type: none"> • Purchase Level 5 • Available online at Summer Solutions website: www.summersolutions.net  <p>In addition to the summer math workbook, it is very important that all students know and quickly recall their basic facts of multiplication and division 0 – 12. ** Please refer to Entering Fifth Grade Summer Math letter below for more information **</p>
