If your child's routine must change, a written note is required before we can allow them to go home a different way. Thank you.	30	To help expedite morning drop off, please make sure your child has their backpack, lunchbox, coat, etc. ready before they exit the car. Students should exit their vehicle within the area marked with cones each morning. Students MUST be in class by 7:50 a.m. each day or they are tardy. If you arrive after 7:45 a.m., you must park in the front parking lot and walk your child inside to sign them in. Students are not allowed to enter the building without an adult. Thank you for your continued help and support!		<b>Morning Drop Off Reminders...</b>
