

Do you love to listen to music? Do you love to sing in the car?

Well why not think about joining Choir?!

The members of the THS Choirs and I would like to extend a personal invitation to you to become a member of Troy High Choir.

The classes are open to students of all musical levels and abilities.

Members of the Choir enjoy many great times together- Making new friends, performing concerts, participating in choral festivals, trips, clinics and workshops.

In past years the Troy High Choirs have taken trips to perform in Nashville, New Orleans, Chicago, Cleveland, New York, and Toronto. This year we will again be traveling to Chicago!

Being a member of a Troy high Choir is a great way to get involved. Remember no prior experience is necessary just a love of music and singing.
