

2019-2020 RESOLUTION

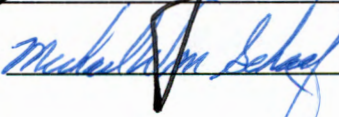

IT IS HEREBY RESOLVED by the Board of Education of the Gallup-Mckinley County School District, as its duly-noticed and convened meeting of the 15th day of July, 2019 by a vote of 3 members in favor of the resolution, 0 members against the resolution, 0 members abstaining, as follows:

1. On October 22, 1986, President Ronald Reagan signed into law the Asbestos Hazard Response Act (AHERA)
2. Regulations applicable to all public school districts requiring compliance with AHERA have been adopted as 40 C.F.R. Part 763 (1987).
3. As part of the general responsibilities of local education agency (LEA) under the EHERA statutes and regulations, LEA's must develop and update a management plan for addressing asbestos Hazards in all public schools in their respective districts. The local education authority is Superintendent Mike Hyatt, designated person is Jose P. Quiambao.
4. The administration of Gallup McKinley County School District has developed an appropriate management plan which has been adopted by the Board of Education on July 10, 1989. Review and approval of the management plan by the appropriate agency designated by the Governor of New Mexico, in accordance with 40 C.F.R. Section 763.93, have been received.
5. The administration is further directed to notify all school employees, parents, legal guardians and all interested parties of the availability of the management plan for review and inspection. The administration may charge a reasonable fee for making copies of the management plan.
6. The management plan shall be available for inspection during normal business hours at the administration office of each school. A copy of the management plan shall also be available for inspection at the Central Administration Office of the Assistant Superintendent of Support Services, 700 South Boardman, Gallup, New Mexico during regular business hours. Requests for inspection shall be honored within five working days of the receipt of the request.
7. The LEA's responsibility pursuant to the AHERA regulations further require that all school employees, building occupants, their parents or their legal guardians and all interested parties be informed at least once each school year about inspections, response activities, post response action activities, including periodic re-inspection and surveillance activities that are planned or in progress. In order to satisfy this obligation, the administration shall prepare a written notice which shall be distributed to all employees and sent to parents or legal guardians of all students.
8. This resolution shall become part of the recorded minutes of the Board of Education meeting at which it was adopted, and shall be published in the Gallup Independent or a newspaper of general circulation in Gallup.
