

Some reminders about security matters:

- 1) **Don't bring valuables to school. Valuables should be locked up during Phys Ed.** We have students who steal. "Hiding" money, etc. in backpacks is not a "trick" that fools many thieves. And, we do not have cameras in the locker room - so catching thieves is tough.
- 2) **Exit and enter the high school from the Main Entrance.** The County Superintendent last week complied last week on a visit - so can you!
- 3) **DO NOT open outside doors for others to enter.** They, too, can walk an extra 50 feet.
- 4) **The restrooms are designed for a specific use. Other uses may incur discipline!**
 - 4a) Do not loiter in the restroom
 - 4b) The stalls are to be used by one person at a time!
 - 4c) Restrooms are not "counseling sessions" – utilize our professional staff!
 - 4d) Cell phone use in Rest Rooms (and locker rooms) is forbidden
- 5) **During Lunch time - restrooms will be locked** except in the front hall and art wing (outside the library). Realistically, since locking is a manual operation, the restrooms may be being locked during the last 5 minutes of Period 4 and unlocking during the first 5 minutes of Per 5
- 6) **During lunch time - classrooms should be locked** when unsupervised by a staff member.
- 7) During lunch time - Fifty (50) passes are available to permit library use. The passes may be picked up in the Library from 7:15 – 7:45 each morning.
- 8) **Dress Code** – see picture on-line under **About Us – Coming Events – Dress-Code.jpg**

- 9) **Seniors: Please use the kiosks** anytime you enter or exit the building
