Saturday the 18th and Sunday, August 19th
Fr. Beda will concelebrate Masses at
St. Michael's and St. Mary's
He will share an update on our projects and the parish. A second
collection will be taken. Your continued generosity is deeply
appreciated.

Looking forward to seeing you throughout the weekend!

Our primary focus for 2018 has been supporting tuition for students to attend the local Catholic High School and our St. Joseph's workshop, providing training and employment for both men and women in our community. Look at the great progress made!

The St. Joseph's workshop is thriving with many projects for our Bwambo community and others. The new sewing machine, brick making and woodworking equipment is well used!!

Some of the students we supported to attend a Catholic High School.

THANK YOU!!
