### Principal Message – December 2017

Dear Students and Parents/Guardians,

Hello Canyon Families. Again, I am delighted to let you know some of the amazing activities that have been happening and will happen at Canyon. The month of December is full of concerts, sports and excitement for some with the holidays and time with family.

Once again, our Leadership class organized a VERY successful canned food drive “We Scare Hunger” to help support the Castro Valley Outreach program for the Thanksgiving holiday. We collected over 4,000 items for the food drive and are looking forward to helping families in our community. In December, we will participate in Adopt-a-Family. The Canyon community has always generously reached out and supported this effort. Thank you in advance for your support of the program.

Although the month of November had fewer school days, we had many exciting activities. Our athletic teams had a great FALL season and I appreciate all the hard work the athletes, coaches and parents/guardians put into making the contests a pleasure to watch. We are fortunate to have such outstanding facilities, coaches and athletes. I look forward to the Winter sports. Congratulations to our Cross Country team, our Cheer Squad, our Football Teams, our Tennis Teams, and our Softball Team. What a great season everyone had.

It was great to see so many of you at the parent/teacher conferences. The conferences were positive and I am looking forward to the increased success of our students. I also want to thank the PTA for the Soup Supper - it is always a highlight of the year and lets the staff know how much you appreciate them. Thank you so much to all the cooks - it was a fun evening of food and fellowship.

In addition, our classes are going well and students are SOARing. In our English classes, we are enjoying our new Study Sync curriculum. In Science, we are incorporating more hands on, inquiry labs to make classes more relevant for students and align with NGSS. In PE, we are teaching technical aspects of sports as well as teaching the history and rules of the sports. In Math, our students are learning math concepts through activities and scenarios that encourage our students to have a growth mindset. Our students are receiving a top-notch education from our fantastic staff.

Please check the calendar and make it a point to attend one of our winter music concerts here or at the Center for the Arts, CVHS campus – all shows start at 7:00pm.

- **Winter Canyon Choirs Concert – 12/5 @ Canyon Gym**
- **Winter Canyon Beginning Band & Orchestra Concert – 12/7 @ Canyon Cafeteria**
- **Winter Canyon Orchestra Concert – 12/12 @CFA**
- **Winter Canyon Band Concert – 12/18 @CFA**

Our music students and staff work very hard preparing for the concerts and the quality of the performances is always outstanding. I have been observing the music classes this fall and cannot wait to hear the students perform. Our concerts serve as an excellent way to begin your Holiday Season.

**Principal Message – December 2017 continued:**

Here at Canyon, we want every student and family to feel that they belong and have a place with us. Our students bring us tremendous joy and we want to make sure they feel supported by us. If there are any concerns or questions, please let us know so that we can work together to support our kids.

Lastly, this month we are asking that our students continue to SOAR through December. I encourage you to discuss goals and plans with your student especially as the mid-year mark approaches in January. In addition, we are asking that all students be kind with their words and thoughtful with their actions. We all want the best for our students and let's make sure they know that we have high expectations and will provide all the support needed to achieve great things.

La comunidad Canyon siempre ha alcanzado y ha apoyado generosamente esta causa. Gracias de antemano por su apoyo a este programa.

Aunque el mes de Noviembre tuvo menos dias de clases, tuvimos muchas actividades muy emocionantes. Nuestros equipos atleticos tuvieron una gran estacion de Otoño y agradezco el trabajo arduo de todos los atletas, entrenadores y padres/tutores, haciendo de los concursos un placer disfrutar. Tambien, quiero agradecer a la Asociacion de Padres y Maestros (PTA) por la Cena “Soup Supper” - siempre es destacada en el año y demuestra a nuestro personal lo apreciados que son. Muchisimas gracias a los cocineros – fue una divertida noche de comida y compañerismo.

Aqui en Canyon, queremos que cada estudiante y cada familia se sienta que pertenece y tiene un lugar con nosotros. Nuestros estudiantes nos traen tremenda felicidad y queremos asegurarnos que ellos se sientan apoyados por nosotros. Si hay alguna preocupacion o preguntas, por favor haganzlo saber para de esa manera, trabajar juntos y apoyar a nuestros estudiantes.

Por ultimo, les estamos pidiendo a nuestros alumnos que continuen VOLANDO MUY ALTO durante el mes de Diciembre. Los exhorto a que hablen con sus estudiantes de planes y metas, especialmente ahora que en Enero, se aproxima la mitad del año. Ademas, estamos pidiendo a los estudiantes que sean amables al hablar y que piensen antes de actuar. Todos queremos lo mejor para nuestros estudiantes y vamos a segurarnos de que ellos sepan, que tenemos grandes expectativas y que proveeremos todo el apoyo que se necesite para lograr grandes cosas.

Felices Fiestas a usted y su familia.

Sinceramente,

# Counselor Corner

Holiday greetings to all Canyon families!

Middle School is important time for building a positive self-esteem. Often times middle school students compare themselves to others, but it's important to help them recognize their own unique talents and self-worth. Here are some tips for Building Your Tween's Self-Esteem, borrowed from inspirebyfamilymag.com.

- Spend quality time
- Give thought out compliments
- Give your undivided attention to them.
- Cry with them.
- Give unconditional love.
- Model healthy self-esteem.
- Resist comparison.
- Teach them to express their emotions in a healthy way.
- Be a good listener.
- They must know that your love doesn't depend on your approval of their performance.
- Teach them to stand their ground.
- Help them discover their abilities.
- Challenge them.
- Show them that you trust them by letting them make appropriate decisions for themselves.
- Validate their feelings.
- Make sure they know that you are upset with their choices, not who they are.
- Talk to them with respect.
- They are never too old for hugs!

Each month of the school year has a focus, and December is Community Service. Perhaps you can get your kids involved at your local church or some other community based organization to help out the less fortunate. It is a family effort and helps build a positive community spirit and self-esteem.

December is a short month for school, students will have two weeks of rest and relaxation. For any that are behind in school work it is a great time to catch up. Check the Parent Portal to be sure they are up to date.

Enjoy the break!
