September, 2019

Dear Parents/Guardians:

We are especially pleased to announce that Bordentown Regional High School (BRHS) in partnership with Rowan College at Burlington County (RCBC) offers students taking select courses at BRHS to earn both high school and college credit. RCBC has the College Acceleration Program (CAP), which includes many of our courses.

Students who enroll in the CAP program are taught during the normal school day at BRHS and the BRHS teaching faculty are approved as RCBC adjunct professors.

| <b>2019-2020 Rates</b>                       | <b>3-4 Credit Course</b> | <b>5-8 Credit Course</b> | <b>9 Credit &amp; above Course</b> |
|--|--------------------------|--------------------------|------------------------------------|
| <b>Regular</b>                               | \$150                    | \$300                    | \$450                              |
| <b>Free/Reduced Lunch<br/>Qualified Rate</b> | \$100                    | \$200                    | \$300                              |

*No refunds are available after the end of the registration period.*

Please be aware that credit is only awarded for a grade of C (70) or higher to receive credit from RCBC and the fee is non-refundable. Students who finish with a grade less than a 70% do not earn credit through the CAP program. It is strongly advised that the student check with any college(s) they are interested in attending to see if they accept transfer credit from RCBC. RCBC nor BRHS can guarantee transfer of courses to any institution other than RCBC.

All students who wish to register for a CAP/Dual Enrollment course must complete the registration process at <https://rcbc.app.dualenroll.com> (Attached you will find instructions for registering.) The registration is not complete until it is approved by the parent/guardian and online payment is received. Once registration is complete your son's/daughter's guidance counselor will approve the registration. It is imperative that this process be completed prior to the **October 14, 2019 deadline**. You cannot wait until the end of the semester to do this. RCBC does not allow you to do this process once a course is complete. Attached to this letter you will find a list of the BRHS courses and their RCBC course equivalent along with online registration instructions.

---

Students who choose to participate in the CAP program will have their BRHS diploma and a RCBC transcript detailing all courses, grades and credits they earned while still in high school. Students should request a transcript through RCBC upon completion of the CAP program.

If you have any questions concerning the CAP program, please contact your son/daughter's guidance counselor.

Sincerely,

Robert Walder  
Principal
