

Dear Parents:

As soon as you learn your child's teacher assignment, it is time for you to log into the Alta Vista Home and School Club (AVHSC) Parent Portal via Membership Toolkit to receive AVHSC and class email communication, sign up to volunteer for class enrichment (Room Parents, Art Vistas, Clay, Cornerstone, etc.), access and update the school directory, access the online store to submit Membership donation, and buy spiritwear, birthday books, and more! You make all payments online via credit card or PayPal.

****The grade with the highest percentage of participation by donating to support classroom activities, field trips, enrichment programs and services by September 5, 2019 will WIN A PIZZA PARTY!**

Visit <http://www.avhsc.org/> and click on the link under GET CONNECTED to sign into Membership Toolkit (MTK).

OR: Just go to the MTK direct link below. Once you are added in the system you can sign-up for classroom volunteering, submit membership or general donations online to support your student's excellent education experience, order spiritwear online, birthday books, access the online school directory, and more!

Note to returning parents: MySchool Anywhere (MSA) has been replaced by MTK this year. Parents will need to create a new login to access MTK. However, the information from the online directory has been migrated over to MTK. Once logged in, please verify your information and make updates as needed.
