Dear DV Families,

I wanted to share with you the first edition of a new video series we will be sending out to students and faculty each morning. It's called the Distance DV Morning Minute and it features DV administrators, and perhaps some other special guests, reminding viewers of the day's middle and upper school class schedule and sharing any announcements and birthday shout outs. Our hope is that it is a way for our administrators and others to be seen by the community and a fun way to start each school day.

I did the first Morning Minute, with a little help from our family dog Rosie. I hope you enjoy it, and it's another thing to ask your students about at the end of the day.
