

Mrs. Glassmeyer's 7th Grade Summer Reading Assignment
(mglassmeyer@gaschool.org)

Your first assignment over the summer while you are relaxing and having fun is to find time to just read and enjoy what you read. Perhaps you would like to read about a topic of interest to you, or perhaps there is an author you enjoy, or maybe there is a book you have been saving to read that is not on AR. Whatever it may be just have fun reading!

Then sometime before you return to school in August, I would like you to read *Crash* by Jerry Spinelli.

Bring the book with you the first day of school. We will start the first day with discussions, activities, and writing assignments associated with *Crash* by Jerry Spinelli.
