

Smith Middle School Science Olympiad 2019

- Smith Middle School Science Olympiad invites all current Smith Middle School students to participate in nation's premier STEM competition consisting of 23 events pertaining to various scientific disciplines, including earth science, biology, chemistry, physics, and engineering.
- We recently conducted our parent informational meeting on Wednesday 09/05/2018. If you could not attend but would like an update – please send me a mail at the email address below with your email, student name/grade, and a phone number to reach you.

We are holding a mandatory screening test for all Smith Middle School students on Wednesday 09/12/2018. The test will take place in Smith Media Center from 3:15 pm to 4 pm.

- Interested parents are requested to make arrangements for picking up their children after this test.
- There is one common test for all grades. No special preparations needed, students can use next few days to refresh basic science information that they learnt in school so far.

All students who wish to participate, need to finish the following form, entering preferred events for parents as coach and for students to participate in.

Preferences form <https://goo.gl/forms/CnwIYB1rFkFyxEXy1>

You can also use the following QR code using your smart phones to access this form.

2019 Event Detailed Rules https://drive.google.com/open?id=1I275y_3bI5QVP-HL7kBmEeH2knX-3fxJ

The last date for submission is 09/12 and we will accept forms till midnight.

A little bit about Science Olympiad @Smith Middle School

- Parents come together to run this program on volunteer basis under the guidance and co-operation from school authorities.
- Parent coaches teach students for 5 months followed by a season of practice tournaments followed by regional, state, and nationals for qualifying teams.
- Running successfully for past 7 years, Smith Middle School is established as one of the top 10 schools Science Olympiad programs in Michigan, having reached 3rd position in the state competition in 2017.
- Great example of teamwork, cooperation, coordination, leadership and great opportunity to get students interested in different STEM subjects.
- Great opportunity for parents to get involved in their children's studies, sharing tools, tips and techniques to be successful in academic education.

Who can participate? – Any current Smith Middle School Student who is interested. You need to attend mandatory test (see earlier page) on 09/12th and fill up google form (link enclosed).

Are there any “can't miss dates – **March 2, 2019, April 27, 2019** are critical dates that cannot be missed. Please give those dates consideration before considering joining the team.
