February 4, 2019

Hello Future Chaparral Families,

I wanted to reach out to inform you about an opportunity that will be available to you later this month. Each year, parents of incoming 6th grade students express interest in seeing our campus and having a firsthand look at the programs we offer at Chaparral. For that reason, I am inviting you all to attend our Open House, and Incoming 6th Grade Welcome, on Thursday Night, February 21st.

Food trucks will be serving dinner on the blacktop near the gymnasium, beginning at 5:30 PM, with proceeds going to the Chaparral Middle School Community Club.

Beginning at 6 PM, we will have a meeting in our gymnasium for all families of incoming 6th graders. The meeting will highlight our electives programs complimented with performances and displays. We will also give you a preview of Open House.

At 6:30 PM, our Open House Showcase begins. The showcase will illustrate the work done in all of our classrooms, by all of our students and teachers. Visiting the campus during this time will give you a great feel for what Chaparral is like. We would like to encourage you to attend and help get your future Cougar excited for their transition.

Finally, for those of you who have never been to Chaparral for an evening event, you need to know that parking is in very high demand. In order to try to extend parking to more of our parents, we have secured buses to transport our parents to and from Chaparral from Quail Summit Elementary School and Maple Hill Elementary School. Feel free to park at either of those schools and shuttle to Chaparral. Buses will begin shuttling at 5:30 PM, and will make their last return run at 8:15 PM, from Chaparral Middle School.

Keep in mind, this will not be your last opportunity to visit Chaparral. Students are scheduled to visit with their elementary schools on March 15th and our annual Incoming 6th Grade Parent Night will take place on March 21st here on campus.

We look forward to seeing you at Chaparral on February 21st for Open House!

Sincerely,

Ron Thibodeaux
