"Where Good Things Happen"

Back to School Night Thursday, September 13

Back to School Night for parents will be on Thursday, September 13 from 6:00 - 7:30 PM. The purpose of our Back to School Night is to give parents the opportunity to meet their child's teachers, share any important information with our teachers about their child, and begin building a relationship between parents and school. There will be a short program in the commons and we will have schedules for you there. You can also print your student's schedule and bring it with you if you wish. Parents will attend periods 1-6 and there will be 10 minutes per class with a 5 minute passing period. We should have a few of our leadership students available to provide help and direction if needed.

Important Student Information - PAST DUE!

On the first day of school, each student received: 1) a Student Information Update Form (be sure to **sign the Student Responsibilities and Right on the back page**) and 2) an Annual Student Health Form. **It is important to return this information ASAP**, especially phone numbers and e-mail addresses that are current for emergency purposes.

Individual Student Pictures

I anticipate that individual student pictures will be given to students during the week of September 17 to take home. Parents who are not satisfied with their child's picture can return the entire packet on picture retake day. Picture re-takes are scheduled for Monday, October 8. As part of picture day, we have EMS student identification cards for every student. Those student who have paid for their ASB card will have an ASB sticker placed on their ID card.

STUDENT PLANNERS

On the first day of school, students at Evergreen Middle School received a student planner that all students are expected to use on a daily basis. Again this year, we are going to use the planners as a checklist, recording daily assignments and due date. We want to keep it simple. Similar to a "TO DO LIST" often used by adults. As a school, we believe that a students' effective use of a planner teaches them to manage and organize their learning responsibilities. Over the next four weeks, we are going to emphasize the use of the planner everyday, in every class as a means of establishing the habit of using the student planner. As parents, feel free to check your student's planner on a daily basis this year. These planners were purchased by the ASB. The cost to replace a planner is \$10.00 each.
