To Our Vendor Team:

Please find the attached Price Quote for a number of items we anticipate purchasing this school year. Because of the limited size of these purchases, we are not treating this as a formal bid but are interested in pricing that may be held through the school year, just as we do with formal bids. The end date for those agreements is June 30, 2016. Please indicate on your returned price quote if this date is an acceptable quote expiration date, and, if not, an alternative expiration date.

The items listed are needed immediately, so your prompt attention to this price quote is appreciated; quotes are due to our office no later than 5:00 pm, Friday, September 11, 2015. We will send notice of results on Wednesday, September 16, 2015. Your price quote may be turned into our office by either mail or email:
