Junior Rotarians Honored

During the school year, several students in their junior and senior year of high school are invited to speak during the local Rotary Club meetings. Recently, these Junior Rotarians were honored during the Rotary Club meeting, where special awards and scholarships were presented. Two Rotary Youth Leadership Awards (RYLA) students are selected yearly, as well as two \$1500 scholarship recipients. These Junior Rotarians model outstanding character, demonstrate leadership skills, and display problem solving skills both at school and within the community.

Basketball Practice Underway

The first week of summer basketball practice is complete. Both middle and high school put in some serious work together to build community. Coach Sherri Smith led the way at the high school level, while Coach LaShanta Walker from West added her expertise.
