

Spring Sports Registration

Mars Area School District uses an online service provider, FamilyID, for all sports registrations. Initial team rosters will be created from the online registrations. If you already have an account, login, choose the current sport and update the information. Print out the necessary physical forms and complete the process as outlined below.

The registration is made up of three parts. All three must be completed before you will be cleared for participation:

1. Online forms
2. Physical and Health History – (must be stamped by physician/office) Sections 5 and 6, or Section 7 if you played a fall/winter sport.
3. Paid Athletic Fee of \$100. You may pay by check, made payable to Mars Area School District or you may pay online on the FamilyID site. If you pay online, there is an additional administrative fee of \$3.30. (This is a pay pal fee.)

Once you have completed the online forms and had your physical, you may turn in Sections 5 and 6 (for first sport) or Section 7 (for 2nd / 3rd sport) along with your athletic fee to the nurse/guidance office in your building. **Completed physicals should NOT be accepted by coaches.**

You may get a sports physical at your convenience through your own physician, Med Express, CVS, Walgreens, etc.

Use the FamilyID link on the Mars website (www.marsk12.org) to begin registering. The forms are available on the FamilyID website. Registrations for spring will open on or before Jan. 22, 2019.

CONCUSSION TESTING: Student athletes will be scheduled for a baseline concussion test. Testing will be administered by team as necessary, by our athletic trainers. A schedule will be posted online when it is available.
