*“The Broadway Student Summit is designed to connect theatre students with the Broadway community - and with each other - through a series of workshops, master classes, and an unforgettable experience at a hit Broadway musical.*

*[Apart from the sightseeing and Broadway performances, the trip includes] 6 workshops in acting, voice, dance and a variety of arts disciplines with cast and creative team members from the Broadway show the session is seeing. Every student will work directly with Broadway's best and brightest performers, choreographers, music directors and teaching artists.”*
