Dear Parents:

The Ferndale Area School District is committed to working in partnership with the parents in a variety of ways.

One specific area of cooperation is the schoolwide Title I program, formerly known as Chapter I. With that in mind, The Ferndale Area School Board has adopted a policy of dialogue between the home and school. This policy, which is attached, encourages parental involvement in the educational programs in our district. We encourage you to work with us in the schoolwide Title I program.

Enclosed please find a copy of a School-Parent Compact, which lists specific ways in which we can work together. The first compact documents the school's responsibilities to our students. The entire staff has endorsed this compact. The next page lists student responsibilities in the educational process. We ask you review the student compact with your child and have your child sign it and return it to school. The final page contains the parent compact. Please review the information contained on the compact and return it to school.

I would like to thank you for your support and cooperation of our schoolwide Title I program in the Ferndale Area School District.

If you have any questions or concerns, please contact the Ferndale Area Elementary School at 535-1507.

Sincerely,

Dr. William Brotz
Director of Education

It is the policy of the FASD not to discriminate in employment or program services for reasons of race, color, sex age, religion, national origin, or handicapping condition.
