

**JOB POSTING**

**JOB TITLE:** Registered Nurse (2) - TEMPORARY  
**RESPONSIBLE TO:** Health Services Director  
**DEPARTMENT:** Health Services  
**EMPLOYMENT DATE:** Immediately  
**WORK SCHEDULE:** Monday - Friday  
(7 or 7:15 a.m. – 3 or 3:15 p.m. to be determined)

**QUALIFICATIONS:** Pennsylvania Registered Nurse licensure required. Diploma, Associate’s Degree or Bachelor’s Degree. Experience with children with multiple disabilities, including visual impairments is preferred.

**RESPONSIBILITIES:** To plan, provide, document, and evaluate school-based professional nursing care for students consistent with students’ health and family history; students’ medical orders; and current standards of nursing practice and care.  
To contribute to school educational teams through the interpretation of student health needs to their educational teams and to families through Team Meetings, collaboration with families and community health care providers, and transition planning.  
To collaborate with nursing staff members, other school colleagues, and school Leadership Team members to support staff training activities, student and staff safety and wellness, crisis and emergency planning, and school committees or work groups.  
To communicate effectively with families and team members regarding student health issues, as warranted, and refer persistent, significant, or complex student health issues to other school team members including Director of Health Services, or to students’ health care providers, as warranted.

**COMPENSATION:** To be determined.

**POSTING PERIOD:** Until position is filled.
