

Families Read to Fido!

Airport Community Schools are excited to continue our Read to Fido program this year in collaboration with the Humane Society of Monroe County. Your family can choose any or all of the dates below to come and spend time reading to shelter animals who need your love and friendship! Bring your own books, or some will be available to borrow.

July 31st 10:00-11:00a.m.

August 7th 10:00-11:00a.m.

(Stay tuned for more possible dates- keep an eye on school Facebook pages)

All sessions will take place at **Unity Park 1677 Ready Rd. Carleton, MI 48117**

- *Please note that this activity is meant to include the family, so it is **not** a time to drop your child off and leave. Please stay with your child to enjoy the books and animals together.*
- *You will have to sign a waiver upon arrival for you and your children to read to the animals.*
