

## Title I School Wide Information

### NESS ELEMENTARY SCHOOL IS DESIGNATED AS A TITLE I SCHOOL THAT OPERATES WITHIN A SCHOOLWIDE MODEL.

Our goal is to provide all students significant opportunity to receive a fair, equitable, and high-quality education and close any potential achievement gaps. A well-rounded education is provided for all students to access enriched curriculum and a rigorous standards based educational experience.

“

*All staff strive to create the most effective, efficient, and engaging learning environment for every student at Ness Elementary School.*

”

At any given time, any student can need additional support to be and do their very best. As a school wide model we have varied resources, staff experience and data that we use to determine what enrichment, intervention and supports best fit each student throughout the school year.
