BHUSD New Family Enrollment and Residency Procedures

Welcome to the Beverly Hills Unified School District (BHUSD). We have an outstanding tradition of excellence in education, and we warmly welcome you and your children to our schools. You are joining BHUSD at an exciting time. In the 2019-2020 school year, we will be transforming our district into two K-5 Elementary Schools, one brand new Middle School and continuing with one High School.

How to Enroll To enroll

Please visit our district website at <http://www.bhusd.org/>, navigate to the “Enrollment” link on the right side of the page. There you will read about our residency requirements, read about your rights and responsibilities, and create your parent portal. Inside portal, please provide us information about you and your child. You will also find our mandatory and optional forms. Print out your final Parent Portal Data Confirmation page and the other four mandatory forms and any appropriate optional forms. In addition, you must also bring in all required residency documents to establish your residence within the district boundaries. Bring all the mandatory forms (sign where appropriate) to the Student Services Department at the District Office. Please proceed to Step 5 to set an appointment electronically before visiting Student Services. Many thanks!

Welcome to school,
