Dear Parents,

Please allow us to say what a pleasure it has been to teach your children this year. We have seen them all grown in knowledge and in character. It has been a delight to spend our days with them, and we will miss them.

Your children are ready for 1st grade, but it is important that you keep them working over the summer. Have them read daily, and be sure to take advantage of our summer reading camps, and/or public library summer reading programs. Don't forget to review their math facts and penmanship. Keep them sharp, by doing a little each day!

If we can ever be of service or help in any way don't hesitate to ask!

**Blessings,
Your K5 Teachers**
