

# NOTRE DAME HIGH SCHOOL

October 8, 2018

Dear Notre Dame Community,

This year's Annual Fund Team - the Head of School, and three parent co-chairs - is writing to ask you to please make a gift to Notre Dame Belmont's Annual Fund. We count on your support!

As a private school, NDB does not receive federal, state or church funding. All operations are funded through tuition and contributions. Tuition alone does not cover the costs of running the school - the difference is made up by contributions. Gifts to the Annual Fund help make up the \$2,500 gap per student between tuition and the real cost of an NDB education. Individual and corporate/foundation gifts provide the income for us to offer the best resources and opportunities for your daughter(s).

Your gift will have an impact today, immediately supporting a full range of programs and experiences that directly benefit your daughter and all NDB students. The Annual Fund:

- Assures exceptional teachers who are passionately dedicated to engaging and inspiring our amazing students;
- Provides expanded curriculum to meet our students' enthusiastic demand for Advanced Placement, Honors courses, and Electives; and
- Strengthens leadership programs, extra-curricular activities, and athletic possibilities.

Why not charge a tuition that covers the total cost of an NDB education? NDB is committed to keeping tuition as low as possible so that more families can afford a wonderful NDB education for their daughters. Additionally, donations to NDB are tax-deductible, so when you give to the Annual Fund, you are helping to keep tuition payments lower, and earning a tax benefit.

Notre Dame counts on the financial participation of every NDB family to produce the extraordinary results that make NDB such a strong and vibrant school. Your participation in the Annual Fund is even more important than the amount of the gift. Why? Your gift is a statement that you join with the entire NDB community in supporting your daughter's educational experience at NDB. Gifts will differ in size, but each gift ensures the strength of Notre Dame as a vibrant educational community and lasting legacy.

The impact of your contribution to the Annual Fund is both immediate and lasting. Thank you in advance for responding as generously as you are able.

In Notre Dame, and with our appreciation and gratitude,

Maryann Osmond  
Head of School

Suzanne Mohan (Chloe '20)  
Co-Chair, Annual Fund

Kerry Hogan (Parker '20, Peyton '22)  
Co-Chair, Annual Fund

Stacy Molano (Ellie '19)  
Co-Chair, Annual Fund
