Students must have a pass from a teacher to visit any office during class time. Most student business is conducted at the attendance window.

Regular school day hours at North Park Academy of the Arts Academy are 8:00 A.M. until 2:45 P.M. (7:00 A.M. for 0 Per.). Students are to arrive no earlier than 6:45 A.M. and stay no later than 3:00 P.M. unless participating in supervised activities. Students doing make-up work or being tutored, staying after school for disciplinary reasons, or participating in extracurricular activities should report to the appropriate classroom before 2:50 P.M. and leave the campus immediately upon finishing the activity. STUDENT CODE OF CONDUCT

A major goal of the North Park Academy student body and staff is to maintain a safe and healthy campus environment and classroom climate conducive to learning. Student enrolled at North Park Academy are expected to conduct themselves in such a way as to show at all times that they understand and accept the school policies and rules that regulate student behavior.

I am here to learn, therefore **I will:**

- **Be Respectful, Be Responsible, and Be Safe**
- Restrain from physical contact, sexual activity, or public display of affection on campus or at any school activity.

CLOSED CAMPUS

North Park Academy of the Arts is a closed campus. No student may leave the campus at any time without signed and approved permission of the school attendance office and parent or an adult designated by a parent or legal guardian.

VISITORS

For the protection of all students, all visitors, including parents, must report to the office immediately upon arrival on campus to sign in and receive a visitor's badge. The badge is to be worn at all times and returned when leaving campus. It is a violation of state law for anyone to enter a campus during school hours unless entry is granted by the school administration. Students are not allowed to have friends or relatives come to "visit" their classes for a day. School is a students' place of business and as such should be a place where there are minimum disruptions in the classroom. Parents of North Park Academy students are welcome to visit classrooms; however, the date and time must be cleared through the office prior to the desired visit.

OFFICE PROCEDURES FOR STUDENTS

The school office is a busy place. Students are reporting to the principal, the assistant principal, or attending to other business. The office is to be used in a businesslike manner.

We ask all students to observe the following rules:

The office is open to students before school at 7:30 A.M. and after school until 4:00 P.M. daily. During school hours, students are to use only the attendance office window when they have business to conduct in the office. Except during lunch, a hall pass is required at all times when coming to the office. Do not accompany a friend to the office. Only the student conducting business should enter the office. You will be met at the attendance office window by either school office staff or a student office aide. Do not go into the office unless asked to do so by the office staff.

COUNSELING AND GUIDANCE OFFICE

Counseling services are available for all students to assist with mental, social, and academic issues. Our staff will be happy to help with any problems concerning both school and one's personal life. Please do not hesitate in calling (562) 801-5137 to talk to one of our counselors.

OFFICE POLICIES FOR PARENTS

Students will only be released to adults 18 years or older who are parents or guardians authorized on the emergency card. If you send a note, the person taking your child must be on the emergency card. Siblings who are under 18 years of age cannot pick up students during the school day. Siblings 18 years or older may pick up students if the parent/guardian has authorized them to do so by placing them on the emergency card.

We ask that parents/guardians schedule medical and other appointments for students outside school hours whenever possible. Research shows that student achievement is directly related to the amount of time the student spends in school. When arrangements outside of school cannot be made, send your child to the attendance office window before school so that an off-campus pass can be issued. Then come to the form office as the designated time to sign out your child.

The office phone is for emergencies only and for students who are ill. Making arrangements for home transportation asking permission to go somewhere after-school are not considered emergencies. Students need to make these arrangements with their parents/guardians before coming to school.

Students are responsible for bringing their homework assignments and projects to school. To avoid classroom disruptions, notes will not be sent to students to pick up forgotten homework, projects, musical instruments, or lunches. If homework is dropped off at the office by parents, it will be placed in the teacher's mailbox by the end of the day. Remember, by assuming these responsibilities for your child, he or she will not learn how to be responsible. Our goal is to work with you to teach students how to be responsible for their own work.

If your child is ill, you may request homework by contacting the teacher through phone, email or their website. To access their info go to npms.erusd.org

INFORMATION CHANGES

At the beginning of school, parents/guardians will be asked to complete emergency cards. Whenever a student changes an address, a telephone number, a cell number, or other pertinent information, it must be reported to the school office. It is extremely important that the personal data on file be accurate and current. According to California law, a phone number must be on file for emergencies.

ATTENDANCE

Pupils aged 6-18 are required to attend school full-time, with regular and punctual attendance. Schools are required to enforce this compulsory attendance law. When children are absent the entire school day, the reason must be identified and recorded as either excused or unexcused. Excused absences are compliant with compulsory attendance law (illness, doctor or dentist appointments are the only excused absences); unexcused absences are noncompliant and subject to truancy law after three incidents. It is the responsibility of parents to notify the Attendance Office immediately of all absences. The office must be notified of a child's absence, preferably in the morning of the first day of absence by a phone call from the parent. If a parent or guardian does not contact the school, the student must bring a note to the office from the parent on his/her first day back to school. The note must include the student's name, grade, days and dates of absence, reason for absence, and signature of a parent or guardian. **Absences must be cleared within 3 days.** Any absence which is not cleared within 3 days becomes a TRUANT. A student may be assigned Saturday School if the truant is not cleared within 2 weeks.

If a child has a medical or dental appointment during the day, have him/her bring a note to the attendance office before school for a permit to leave the school grounds. Unexcused absences are truants, and the school receives no reimbursement. Whenever such absences are unavoidable and arranged in advance, students will be permitted to make up work.

INSURANCE

Our school district has student accident insurance available to all students on a voluntary basis. Students participating in after-school sports must complete and have on file the required forms. The school does not provide insurance for personal property of students. **Personal property brought to school is brought at the owner's risk.**

WITHDRAWAL FROM SCHOOL

If a child is transferring to another school, the student should bring a note to the office from the parent on the day before the student's last day. The note must include the student's name, grade, and date of move, new address, and name of new school if this is known. The student will receive a withdrawal slip. Be sure all textbooks, library books, and other issued materials are returned to the school office.

Progress reports will be mailed home 2 times a year between the ninth and tenth week of each semester. Letter grades are used for each class that shows their progress at this time. It should be noted that such reports are given to help students and parents understand academic or conduct deficiencies.

The letter grades, which students may earn in the various subjects, are as follows:

A--Excellent or Superior

B--Better than Average

C--Average for Your Grade Level

D--Barely Passing

F--Failure or Unsatisfactory Work

The citizenship marks are:

O--Outstanding

S--Satisfactory

N--Needs improvement

U--Unsatisfactory

The teachers may make comments on the report.

Parents with questions about the progress or grade reports should confer with their children. Questions that still remain after such discussion should be directed to the teacher or teachers concerned. Remember that teachers do not give grades; rather, students earn grades.

HOMEWORK

Homework at the middle school level is an extension of instruction, a form of practice. Although there may be differences among teachers, it will not always be possible to complete assignments in class and additional work at home will be necessary.

- Students must budget time effectively and turn homework in on time.
- Students should expect an average of 30 minutes per academic class of daily homework. There will be some weekend and/or long-term assignments.
- Students are responsible for the work missed during an absence.
- Homework assignments will be posted online on Parent Portal or on NPAA website.

In the event that a student fails to complete and turn in homework, he/she may be detained up to 30 minutes after school in order to complete it.

HONOR CODE

North Park Academy of The Arts Academy believes that a sound educational program must insist upon academic honesty. We expect students to display personal integrity and self-respect. The final value of one's education is what is learned and not what grade a student receives. Grades mean little when cheating is accepted. Helping someone else to cheat is no different than cheating oneself.

These are violations of academic honesty:

- Copying from another student's assignment/test
- Using a "cheat" sheet or other external assistance during an exam
- Creating false data for a bibliography
- Plagiarism: copying word for word from a source without giving proper credit
- Assisting another student with the process of cheating

Anyone found to be violating the HONOR CODE will be dealt with on an individual basis and may receive any of the following consequences from teacher and/or administrator:

- Automatic "F" (failure) on the assignment(s) or test(s)
- Parent conference
- Referral placed into student's file
- Student removed from any and all elected or appointed leadership positions for the remainder of the semester or school year
- Student removed from all extracurricular activities for the remainder of the semester or school year
- Disciplinary actions may be taken.

SCHOOL ACTIVITIES

On occasion during the school year, assemblies will be scheduled. When this occurs, students are to move to the assembly area and take their seats in a quiet, orderly manner. Seating will be arranged by class. Assemblies are scheduled for your benefit. They deserve your attention and cooperation.

Dances are a part of the co-curricular program at North Park Academy of The Arts. to attend. As long as students demonstrate responsible citizenship at school, dances will be scheduled occasionally. Adult supervision will be provided. Dances are for North Park students only.

Field trips to places of special educational interest are provided from time to time. A permission slip filled out and signed by a parent or guardian is required. Students who have not returned the forms by the deadline will be excluded from the trip. It is the responsibility of the student to make up work missed.

At North Park Academy the following are considered extracurricular activities, which include, but are not limited to: band activities beyond the regular school day, clubs, afterschool sports, newspaper, yearbook, school dances, and ASB.

- Students may be eligible to participate in these activities if they maintain a **2.0 GPA** and no more than 1 U in Citizenship based on all classes on their most recent progress report or report card. (Subject to grade level)
- Students who are not eligible to participate in extracurricular activities based on their most recent report card, may become eligible if they meet the **2.0 GPA** requirements on any subsequent progress reports or semester report card.
- The eligibility list is updated using current progress reports and report cards.

USE OF BREATHALYZERS:

In the event a student exhibits any signs of alcohol consumption, the breathalyzer exam procedure may be used. It is not the intent of the District to randomly test students. It is the intent to have the breathalyzer procedure serves as a deterrent to students attending school or school functions after consuming alcohol. Breathalyzer exams will be conducted by school administrators or designees. The procedure will be administered in a secure area away from student traffic whenever possible and the results will be forwarded to the Principal for appropriate action. Parents will be notified when their student tests positive for the presence of alcohol.

Refusal to submit to the breathalyzer procedure will be considered to be a positive test for presence of alcohol. The student will be disciplined in accordance with district policy.

VERBAL OR PHYSICAL CONFRONTATION POLICY

Fighting, attempting to cause harm or verbal threats will not be permitted on campus or any school function at any time. If a student continues to fight after attempts have been made to stop him/her, and places a staff member in a potentially harmful situation, or causes an injury requiring medical attention, the student may be suspended pending an expulsion hearing.

First Confrontation

- A. Suspension for remainder of the day and two additional days.
- B. Parent conference required. The Confrontation policy is explained to the student and the parent. The Confrontation, Behavioral and Conflict Resolution Contract are signed.

Second Confrontation

- A. Suspension for remainder of the day and three additional days.
- B. Parent conference required. The Confrontation Policy is explained to the student and the parent emphasizing that the next confrontation will result in their child being recommended for expulsion. The Confrontation, Behavioral and Conflict Resolution Contracts are signed.

Third Confrontation

- A. Suspension for remainder of the day and five additional days pending expulsion hearing.
- B. Parent conference required notifying parent their child will be recommended for expulsion.

All students who are involved in confrontations will fall under this policy. The provisions of this Policy also apply to students who provoke confrontations. Fighting, under certain circumstances, will be considered much more serious than the above policy indicates. Example:

- Confrontation in class
- Two or more against one
- Gang or group related confrontations
- Confrontations resulting in serious injuries
- Use of a weapon in a confrontation

Assault and/or battery will not be permitted on campus or at any school function at any time. Hazing, "trash canning," "initiation," harassment, or extortion of other students is strictly prohibited by state law.

LIBRARY

The mission of the library is to provide a variety of books and materials to support curriculum and promote a lifelong love of reading. Our goal is to provide an atmosphere where you can read, study, and use the computers in an intelligent and responsible manner. The following guidelines will facilitate this goal:

- Respect the rights of others. Everyone has the right to work in a quiet environment.
- If you need to discuss your assignment, your voice must remain low to maintain a quiet atmosphere.
- Chairs must remain at the tables or computers where they belong. Please push your chair in when you leave.
- The Internet is available for use in curriculum-related projects only.
- Use your ID to check out books, take AR quizzes, and access the Internet.
- Check out books only for yourself. Books can be renewed, but please return them when you are finished with them so that they are available for other students. You're responsible for lost and damaged books.
- Bring appropriate supplies to complete an assignment.
- No food or gum is allowed in the library.

PHYSICAL EDUCATION

Students are required to have PE shirts, shorts, and combination locks that can all be purchased at North Park Academy of The Arts. They are required to keep these supplies in their PE lockers, to dress daily, and to participate in PE activities. If a student habitually does not wear their PE clothes, the PE teacher will contact parents and may refer the child to the office and face possible disciplinary action. Students who are unable to participate must bring a note from a parent. A doctor's note is required to excuse a student from PE for three or more days.

RESTROOMS

Restrooms are to be used only for their intended purpose. Students are expected to leave the restrooms as soon as they are finished using them. Loitering, in or around the restroom, results in an inconvenience for other students. Restrooms are open before and after school, during passing periods, and at lunch. Students may use the restrooms during class time only in case of emergency with a pass from a teacher.

BUS RULES

Bus rules are made primarily for one reason--the safety of students. It is obvious that if the bus driver must continually discipline students, he or she cannot give full attention to safely operating the bus. Pupils transported in school buses are under the authority of and directly responsible to the driver of the bus. Continued disorderly conduct or persistent refusal to submit to the authority of the driver will be sufficient reason for refusing transportation to any pupil and for such other punishment as the law provides.

CAFETERIA RULES

Students must follow these directions:

- Walk, don't run, to the lunch line.
- Wait your turn in line quietly, and follow the directions of the lunch supervisors.
- Be courteous.
- Sit at the directed lunch table.
- When finished eating, pick up all of your trash and place it in the proper receptacle.
- Leave the cafeteria as soon as you are finished with your lunch.

FIRE AND DISASTER DRILLS

Fire drills and disaster drills at regular intervals are required by law and are an important safety precaution. It is essential that when the first signal is given, everyone obeys orders promptly and clears the building by the prescribed route as quickly as possible. The teacher in each classroom will give instructions.
