

Fairfield City Schools School-Based Health Center

Parents of a 6th or 11th grade student can sign their child up to receive the Tdap and/or Meningitis immunization for FREE during the school day.

Free
Vaccination Clinic!
Operated by Primary
Health Solutions!

These immunizations
are required to enter
7th and 12th grade.

Location and Times

Creekside Middle School – May 9th from 8:00~11:00

Crossroads Middle School – May 10th from 8:00~11:00

Fairfield High School – May 11th from 8:30~11:30

*Students who participate will be back in class within minutes

Students who do not have these required immunizations on file with the school nurse will receive information on how to sign up next week.
