Come celebrate diversity! Cultural demonstrations and food included!

Middle School Students and Parents:

Secaucus Middle School will be hosting its **2nd annual** C.A.F.E. night (Cultural Awareness for Everyone) on Monday May 20th, 2019 at 5:00 pm in the SHS/SMS dining hall. There will be different forms of entertainment and learning, as well as food from various countries.

We are looking for families to volunteer to bring a tray of food to represent their cultural background. If you are interested in making/donating a tray, please have your student sign up with his or her guidance counselor to let them know what they will be bringing. Students are also encouraged to dress in clothing that represents their culture or country. All families of students are welcome to attend.

If there are any questions, please contact the Middle School office at 201-974-2025.
