Academics

Academic Integrity

Honesty is a foundation value for success in life. Each student has an obligation to think and act with honesty/integrity and respect the desires of teachers and others in carrying out academic assignments. Academic integrity encompasses any academic project, paper, performance, quiz, exam, or any other work assigned by a teacher.

Cheating, fabrication, and plagiarism are forms of academic dishonesty.

- Cheating – providing, using, or attempting to use unauthorized materials, technology, group work, information, or study aids for anything academic.

- Fabrication- falsification or invention of any information or citation in anything academic.
- Plagiarism -using another's words, ideas, materials, or work without acknowledging and documenting the source.

Students are responsible for knowing the rules governing the use of another's work and for acknowledging/documenting the source appropriately. Violations may result in the following consequences: attending a conference/meeting with a staff member, losing all points awarded for the assignment/assessment, receiving a failing grade for the quarter/semester, or being suspended from school.

Academic Probation

Combs Middle School places a high value on the academic standing and progress of students. Any student who is deficient (fails one or more classes) may be placed on Academic Probation. Students on Academic Probation may be placed on an academic contract which is an individualized plan developed for the student in order to correct his/her academic deficiencies in a timely manner. Students who do not respond to the conditions of Academic Probation may be asked to meet with a school official to determine whether or not the student and his/her parents are willing to accept all academic responsibilities in order to remain enrolled as a student.

Grading Policy

Letter Grade	Corresponding Percentage	Letter Grade	Corresponding Percentage
A+	93% - 100%	D+	67%-69%
A-	90% - 92%	D	63%-66%
B+	87% - 89%	D-	60%-62%
B	83% - 86%	F	59% and below
B-	80% - 82%	I	Incomplete
C+	77% - 79%	P/F	Pass/Fail
C	73% - 76%		
C-	70% - 72%		

A 4.0 grading scale is used for regular classes, and a 5.0 grading scale is used for honors classes.

Honors Program

The CMS Honors Program is designed to provide enrichment opportunities for students who have demonstrated high achievement and/or who have been recognized as being gifted. The following criteria may be used in the selection process for this: standardized tests (AzMERIT, Galileo, STAR, etc.), teacher recommendations, previous placement in an advanced/honors class, previous grades from last year's classes, and placement testing.

The program functions in the areas of language arts, social studies, science, and math. Teachers work to develop activities that encompass the skills required in the four disciplines. Activities are designed to aid students in working on the advanced development of higher-level thinking skills, critical thinking, and creative problem-solving techniques.

Schedule Change Procedures

A schedule change must be requested within the first five (5) days of the semester. If the change is approved, the student will receive a copy of the new schedule. Until that time, the student is expected to attend classes as they are posted on the student's current schedule. Changing from an advanced class to a regular level class (or vice versa) will occur at the end of the grading period. The change requires the Principal's approval and is dependent upon space being available in the requested class.

Teacher Change Requests

One aspect of the educational/maturation process for students is to develop skills to be able to be successful in classes with a wide variety of teaching styles. Administration does not believe in making teacher changes when challenges surface between a student/teacher. Great lessons can occur for students who work through this type of situation with a teacher.

If a student finds that he/she is having challenges with a teacher, the following two-step process exists to resolve the problem:

- The student is to request a scheduled meeting with the school counselor to discuss with the teacher the challenges that exist. The student is encouraged to include one or both parents in that discussion. As a general rule, most challenges can be resolved once they are openly discussed in this type of conference.
- If the student/parent doesn't feel the problem has been remedied after talking with the teacher and the counselor, the student may contact a school administrator to request a conference. The purpose of the conference would be to develop a plan for success in the class (that does not consist of making a teacher change).

If an administrator ever determines (for a very special or serious reason) that a teacher change is warranted and recommended, the administrator will make the teacher change assignment that is the least disruptive to both the student's schedule and to the balancing of class sizes.

Animals

Students may not bring animals (real, stuffed, or fake) to school without prior approval of an administrator. Likewise, school community members may not bring animals on campus at any time.

Assemblies

Assemblies are held for a variety of purposes: to teach, to entertain, to display school spirit, to celebrate, and to honor various members of our school community. Members of the audience should respect and display courtesy towards the performer(s) or speaker(s). All assemblies are considered part of the regular school day. Students are required to attend assemblies. Parents and visitors are welcome to attend all of the school assemblies and must check-in at the receptionist's desk for a visitor's pass.

Athletics, Clubs, & Extra-Curricular Activities

Any student who participates in any extra-curricular activity is expected to uphold the honor and pride of our school.

To participate in athletics, a student/athlete must submit each of the following: consent form, permission slip (signed by student and parent/guardian), copy of insurance card, emergency contact information, physical examination by a physician (new one required each year), and participation fee (\$75).

To participate in any extra-curricular activity, the student must earn at least a 70%/C- in all classes and display appropriate effort/attitude/behavior (when a student is not meeting these expectations, he/she may be declared ineligible and may regain eligibility after a period of time as determined by school administration), attend at least a half day (minimum of three class periods and CSS) of school that day, and have no unexcused absences in any classes that day.

Attendance Policy

The J.O. Combs School District is partnering with the Pinal County Juvenile Probation Office to address any violation of Arizona Revised Statute §15-802, subsection B, paragraph 1.

The goal of this partnership is to ensure that every child is attending school every day to support their learning. Arizona Revised Statute §15-802, subsection B, paragraph 1 states that students must be in attendance for at least 90% of the school year. In the event that a student is frequently absent, the following steps will be taken:

1. A 5 day absence letter will be mailed by the J.O. Combs School District to the home of the student as notice of his/her total absences.
2. A 10 day absence letter will be mailed home by the J.O. Combs School District. The parent will be asked to contact the school to schedule a meeting with the principal.
3. A 15 day absence letter will be mailed home by the J.O. Combs School District as notice that a referral can be made to the Pinal County Juvenile Probation Office. The parent/guardian is responsible for the costs associated with the referral.

It is important that parents and students recognize the direct relationship that exists between academic success and regular school attendance. Students should miss school only when absolutely necessary. Much classroom activity cannot be replicated; class discussion and participation is lost to those who are absent. The right and privilege of attending public school carries with it certain responsibilities on the part of students and their parents.

Please call 480-882-3510 extension 1402 (available 24 hours a day) to report an absence.

- Definitions:

- Absence - A student who arrives to class more than 15 minutes late is considered absent.
- Excused Absence – An absence is excused when a parent notifies the school with the reason for the absence.
- School-Related Absence - A student misses class due to a pre-approved school-related activity.
- Suspension – A student is suspended (in-school or out-of-school) from attending class for disciplinary reasons.
- Tardy - A tardy occurs when a student is not through the threshold of the door entry before the tardy bell completes ringing.
- Unexcused Absence - Any absence that is not excused by a parent/guardian or staff member.

- Makeup Work:

It is the student's responsibility to initiate contact to obtain makeup work from his/her teachers.

- Excused Absence - Students are allowed the equivalent of the number of days absent to make up all missed assignments, quizzes, and tests.
- Unexcused Absence - Students are accountable for information missed but may not receive credit for work assigned or quizzes/tests taken during the unexcused absence.
- Suspension - Students are accountable to get all missed work and schedule a time to take any missed quiz/test the first day he/she returns to class.

- Excessive and Unexcused Absences:

Students will be held accountable for excessive and unexcused absences. Consequences may include any of the following depending on the severity of non-compliance: lunch-detention, in-school suspension, off-campus suspension, referral to Pinal County Truancy Program, and/or withdrawal from school.

- Excessive Tardies:

Any student who is habitually tardy (4 or more tardies in a quarter) may receive one of the following consequences: lunch-detention, in-school to suspension, off-campus suspension, or referral to Pinal County Truancy Program.

- Parent Notification:

Automated phone calls occur daily to parents/guardians for students who are absent. Letter communication may be sent to parents when students have excessive numbers of absences or tardies. When a student is absent for ten (10) consecutive days, he/she may be automatically withdrawn from school.

- Ditching:

If a student is ditching (willfully chooses not to attend class without prior adult permission), he/she will receive an unexcused absence, disciplinary consequence, and may lose his/her opportunity to make up missed work/quiz/ test.

- Parent Calls:

Only the parent/legal guardian of the student can notify the school of an absence. When a parent/legal guardian calls to excuse their student, the absence is listed as excused and the reason given is documented.

Parent or legal guardian must call on the same day of the absence before 4:00 p.m. If a parent/guardian does not call, the absence may be recorded as unexcused.

Bullying/Harassment/Intimidation

The Governing Board believes it is the right of every student to be educated in a positive, safe, caring, and respectful environment. The district in partnership with parents, guardians, and students shall establish and maintain a school environment based on these beliefs.

A student who is experiencing bullying or believes another student is experiencing bullying (or the parent/guardian of such student) should report the situation to school administration or the school counselor.

Reprisal by any student or staff member directed toward a student or employee related to the reporting of a case shall not be tolerated and will be subject to potential consequences. Knowingly submitting a false report under this policy shall subject the student to discipline up to and including expulsion. Policies for this were developed under the 2011 Arizona School Boards Association protocol. See JICK-EB on pages 16-17.

Cafeteria

The district participates in the National School Lunch/Breakfast program. All meals served meet guidelines established by the U.S. Department of Agriculture. If you have any questions, please contact 480-987-5312.

Free/Reduced Applications:

One application per household is needed each year. Applications are accepted anytime during the year. Applications may be submitted in hard copy format or on line. Please allow 10 school days for a response. Families are notified in writing of the status of a request. Qualifying students receive one breakfast meal and one lunch meal daily.

Management of Lunch Accounts:

Students are notified at least three (3) meals before they run out of money because each time they purchase a meal the computer will alert them they will need money. Please talk to your child about remembering to let you know when accounts get low.

EzSchoolpay.com:

On-line payment option. You need to call 480-987-5312 for your student's ID number to begin. Checking a student's account balance is a great benefit on-line.

Candy and Caffeinated Beverages:

Drinking of caffeinated beverages is not allowed when purchasing a school lunch as mandated by the U.S.D.A. Students should refrain from bringing candy or caffeinated beverages to school.

Sharing of Food:

Any food brought to school by a parent may only be consumed by that parent's child. When a parent brings food for his/her child, the food will remain in the front office until lunch. Communication will be sent to the parent's child so that he/she may retrieve the lunch to eat at the appropriate time.

Policy for Forgotten Lunch:

A cheese sandwich, fruit, and milk are given for students who forget their lunch or lunch money.

Food Allergies:

Students with food allergies that affect a vital life function are permitted to request meal modifications when a medical authority completes a USDA required form. Forms are available from the school cafeteria manager, school nurse, or district office. They must be completed and signed by a physician. A new form is required each year. Parents and nutrition service staff are encouraged to make the school office aware of all students' allergies.

Cell Phones, Electronic/Digital Devices

The following items can be used during the school day with teacher approval as it relates to learning and during lunch time: Cell phones are to be off and/or put away upon entering buildings.

- Cell Phones
- Ear buds and head phones
- Cameras

All items listed above are to be off and/or put away upon entering buildings. Students are not allowed to use their phones in class without prior teacher approval.

The student bears total responsibility for safeguarding their cell electronic devices and cameras.

Lost or stolen devices or cameras are the responsibility of the student. Bringing the item to school is at the student's own risk for loss/theft. Combs Middle School is not responsible for stolen or missing equipment.

If a student violates the guidelines of this policy, a staff member may confiscate the device and turn it in to the office. The device may be held until the end of that school day; a parent may have to retrieve the device from the school, and/or the student may be suspended from school. The use of any electronic device for the purpose of cheating or for the purpose of inappropriately video-taping/taking pictures is strictly forbidden. Such use may result in severe consequences and a police referral.

Closed Campus

Combs Middle School is a closed campus. All students will remain on campus during normal school hours. Parents/Guardians or their emergency designees as recorded in Schoolmaster are the only people allowed to sign out students from school. Any authorized person signing out a student from school must show an ID for identification purposes. All students leaving campus must be signed out in the front office.

Cougar Skills for Success (CSS)

The purpose of Cougar Skills for Success (CSS) is to provide students with intervention and/or enrichment opportunities. CSS is vital to meeting student learning needs and will be structured to support identified students with targeted and specific instruction.

CSS may also be used as a vehicle for announcements, videos, assemblies, and activities (such as student voting).

Crutches and Wheelchairs

Crutches and wheelchairs used by students for an injury require a doctor's note specifying injury and length of suspected need for crutches/wheelchair. Crutches will not be dispensed from the Health Office at the student or parent request. Wheelchairs will not be provided to a student for a day, they must be supplied by the parent or guardian.

The school will assess for appropriate technique in using crutches, condition off the crutches, and supply with passes or teacher notes as needed. An emergency plan will be prepared temporarily to assist these students in the event of fire or a need to evacuate a school quickly. A log documenting students with crutches or wheelchairs will be kept in the Health Office for the Fire Department or police if needed.

Dances

Dances may be sponsored during the school year. Students who come to the dances must obey the following rules:

1. Appropriate conduct and adherence to the standard dress code must be maintained at all times.
2. Transportation home after the dance must be arranged prior to the dance so that students may be picked up promptly when the dance ends.
3. Once at the dance, no student will be allowed to leave early unless accompanied by a parent/guardian.
4. Only students who attend CMS may attend. Visitors are not permitted to attend dances.
5. On the day of the dance, students must attend at least one half of the day (three class periods and CSS).
6. Students on suspension may not attend the dance.

Deliveries/Messages

Packages, flowers, balloons, or other personal items/gifts for students are not allowed on campus. Students may not bring balloons and/or flowers to classes because of potential student allergies. Phone messages will be delivered between class periods except when an emergency exists. These guidelines exist to minimize school day and classroom disruptions.

Dress Code

Combs Middle School establishes a dress code to maintain a proper academic environment within the school community, to support the dignity of the individual, and to instill good grooming habits in appearance. Each student's dress and personal appearance should be of such character so as not to disrupt or distract the educational environment of the school.

School pride, morale, and image are influenced by the general appearance of our students. Additionally, Combs Middle School expects student dress and grooming to reflect high standards of personal conduct so that each student's attire promotes a positive, safe, and healthy atmosphere within our school.

- Combs administration reserves the right to insist that the dress and grooming of students are within the limits of generally accepted good taste in school as well as at all school-sponsored events. Any hairstyle, mode of dress, or ornamentation that is outlandish, inappropriate, or gang-related is prohibited. If there is doubt as to the appropriateness of some attire, it should not be worn until it has been approved by an administrator.
- Students and their parents/guardians have the responsibility to be aware of the school's specific dress code and to conform to these requirements. If a student or parent/guardian has any questions about whether specific attire or accessories are in compliance with the dress code, he/she should contact an administrator prior to the student wearing such attire/accessory.
- Administration retains the discretion to determine whether or not the garment or accessory meets the dress code.
- Each student's clothing must fit appropriately as determined by school administration. Clothing may not be too tight, too baggy, too revealing, too short, too long, or hang too low.

Pants, Skirts, Shorts, etc.:

- * Sagging is not allowed. The waistband of the pants, shorts or skirt must meet the bottom of the shirt or top at all times (i.e. standing, sitting, raising his/her hand, etc.). Pants should not drag excessively on the ground.
- * Shorts and skirts must maintain a length of 2 inches from the top of the knee.
- * Pants, shorts or skirts must cover underwear at all times.
- * Wallet chains may be a maximum length of 10 inches.

Physical Education

- * Physical Education students must wear athletic t-shirt, athletic shorts, and tennis shoes. There will not be a PE uniform.

Shirts, Tops, Blouses, etc.:

- * No midriff, back skin or side skin may show. In other words, shirts and other tops must meet the pants/slacks/skirts with no exposure of abdomen, back or side.
- * Tank tops, basketball uniform tops, strapless tops, tube tops, racer backs, halter tops, or one-strap tops are not permitted. No bustier or tops with spaghetti straps. Straps must be at least 3 inches wide covering all undergarments.

No see-through shirts or necklines that expose any cleavage. Students may not layer inappropriate shirts to attempt to make an appropriate one (strapless top over men's undershirt top, camisole over a racer back top, unbuttoned long sleeve shirt over men's undershirt, etc.).

Head Coverings:

* No head or hair coverings may be worn in school buildings without prior administrator approval.

Inappropriate Dress/Items:

* Attire or accessories which advertise, display, and/or promote drugs, alcohol, tobacco, gang activity, violence, sexual activity, disrespect, lewd, vulgar, or obscene language, and/or bigotry toward any group or person.

* Underwear may not show (boxers, briefs, thongs, bras, etc.) and underwear and sleepwear worn as outerwear (i.e. camisoles, men's undershirts, slippers, or pajama pants) is not permitted.

* Body piercing that is a safety hazard and/or hinders classroom performance. Students may not wear jewelry during PE.

* Shoes must be worn at all times. Shoes must have an outdoor sole. Shoes must be worn in accordance with how they were intended for wear. It is highly recommended that students not wear flip-flops for safety reasons.

* Students may not write on themselves, anyone else, any clothing, or any back-pack with any type of writing utensil.

* Sunglasses may not be worn in school buildings.

* Clothing may not have excessive tears or holes; non-see-through leggings/tights must be worn under a garment when the tear/hole is in violation of other areas of the dress code.

* A jacket/sweatshirt may not be the only outer clothing worn as appropriate top attire. An appropriate top must be worn underneath the sweatshirt/jacket.

* Slippers, pajamas, and moccasins are not allowed. Students may not bring blankets, pillows, or stuffed animals to school.

Consequences:

* Parents may be contacted either to assist in correcting the violation or to pick-up the student from school.

* Any student violating this policy is subject to disciplinary action including parent conference, detention, or suspension.

* In addition, the student may be required to remove the garment or accessory and replace it with an appropriate alternative provided by the school or parent. When this occurs, the inappropriate attire will remain in the front office until the end of the school day when it may be picked up by the student or parent as determined by school administration.

If the alleged violation also involves a violation of other provisions of the District’s disciplinary code, it will be handled in a manner described in the disciplinary code.
6. The District reserves the right to restrict or revoke my use of the EIS System at any time, if deemed within the District’s best interest.

Emergency Procedures

Drills: State law requires all schools to practice lockdown and fire drills. The purpose of these drills is to acquaint all students with the different strategies and exits depending on the area he/she may be in at the time of the drill. In any drill situation, students shall follow staff directions and exit in an orderly efficient manner. When a drill is taking place, parents must abide by the procedures of the drill and must wait until the drill has ended when requesting to excuse their child from school.

False Alarms: Anyone who is found to be guilty of turning in a false fire alarm or bomb report will be subject to prosecution. Students found guilty are subject to disciplinary action. Emergency protocols are published and made available to all staff. Staff is trained and both personnel and students practice drills on a regularly scheduled basis.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. & 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U. S. Department of Education. FERPA gives parents certain rights with respect to their children’s educational records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are eligible students.

- Parents or eligible students have the right to inspect and review the student’s educational records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distances, it is impossible for parents or eligible students to review the records. A school may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parents or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

- Generally, schools must have written permission from the parents or eligible student in order to release any information from a student’s education record. However, FERPA allows schools to disclose those records, without

consent, to the following parties or under the following conditions (34 CFR & 99,31): school officials with legitimate educational interests; other schools to which a student is transferring; specified officials for audit or evaluation purposes; appropriate parties in connection with financial aid to a student; accrediting organization; complying with a judicial order or lawfully issued subpoena; appropriate officials in cases of health and safety emergencies; and state/local authorities within a juvenile justice system pursuant to specific state law.

Student Records

Parents have access to their children's school records. School employees observe confidentiality of student records and recognize that only important, factual information should be in permanent records.

The policy and procedures for maintaining students' school records is governed by a federal law, the Family Educational Rights and Privacy Act (FERPA). Student and family privacy rights are carefully protected to ensure that records are used only for educational purposes and in the child's best interest.

FERPA and District policy do not require parent permission for release of a specific type of student record information called "Directory Information." When such releases are for educational school-related purposes the information could include the following:

- | | | |
|----------------------|-------------------------------|---------------------------------|
| · Student's name | · Student's address | · Student's phone number |
| Date of birth | · Class designation | · Previous district attended |
| Student's photograph | · Achievement or honors | · Extracurricular participation |
| Parent's name | Serious discipline violations | |

If you need to prevent us from using Directory Information described previously, notify your child's principal in writing. Most of the information contained in FERPA is about ensuring that you and students who are 18 years of age or older ("eligible students") are afforded certain rights with regard to the student's records. They are:

- The right to inspect and review the student's educational records within 45 days of the day the District receives a request for access.
- The right to request the amendment of the student's records that the parent or eligible student believes is inaccurate or misleading.
- The right to consent to disclosures of personally identifiable information contained in student's educational records, except to the extent that FERPA authorizes disclosure without consent.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave. SW, Washington, DC

Fees

The following fees exist at the middle school:

\$25 – activity fee covers the cost of student ID, student planner, and a variety of activities occurring during the year

\$35 – yearbook purchase cost (\$40 after January 1st) – this fee is optional

\$75 – fee for participating in a given athletic program offered on campus

Food and Drink

Food (including candy) and drinks (except capped bottled water) are not allowed in classrooms or on any carpeted areas. Gum is not allowed on campus for any circumstances at any time. Students caught with food, gum, or drink in any of these areas will be subject to disciplinary action.

Gangs

A gang is two or more people whose activities violate the law or school rules. Gangs that initiate, advocate or promote activities that threaten the safety or well-being of persons or property on school grounds or disrupt the school environment are harmful to the educational process. The use of hand signals, graffiti, or the presence of any apparel, jewelry, accessory, or manner of dress (sagging) or grooming that, by virtue of its color, arrangement, trademark, symbol, or any other attribute indicates or implies membership or affiliation with such a group is prohibited

because of the disruption to educational activities that results from such activities or dress. It is the school's position that such activities and dress present a clear and present danger to the students at J.O. Combs Middle School.

Consequences:

1. Informal talk with a staff member who will attempt to reach agreement with the student as to acceptable behavior.
2. Parental involvement by telephone, letter, or personal conference
3. Suspension and/or off-campus police referral.
4. Long-term suspension or expulsion (continued and serious violations).

Grievance/Issue/Concern Process

Any grievance/issue/concern within the Combs Middle School community should be resolved by first communicating with the person with whom the grievance/issue/concern exists. If the grievance/issue/concern cannot be resolved to the satisfaction of the people involved, the grievance/issue/concern can be brought to the attention of the immediate supervisor in that area. This step may be repeated until the immediate supervisor is the principal.

Any grievance/issue/concern brought to the attention of the principal shall be submitted in writing along with proposed ideas to solve the grievance/issue/concern.

When a parent wishes to appeal the decision of the principal in policy matters, the parent needs to submit the appeal in writing to the superintendent. That appeal information should include the following information:

- * The subject of the appeal.
- * Any factual data, other than hearsay, the person considers appropriate.
- * The efforts that have been made to resolve the issue.

The superintendent may designate another person to hear the appeal. Arizona School Boards Association Policy J-3632 describes the district's policy on student concerns, complaints, and grievances.

Hall Passes

All students must have a pass from a staff member to be in the halls. Students caught out of class without an official hall pass may be charged with ditching and may receive a day of suspension. It is the student's responsibility to secure a pass prior to leaving. Students are responsible for returning the pass undamaged.

Hallway and Sidewalk Rules

While classes are changing, many students are moving through the school hallways and sidewalks. While classes are in session, the hallways and sidewalks should be empty except for those students with a pass. The rules of conduct set forth below are established not only for instructional reasons, but for reasons of safety, cleanliness, comfort and convenience. The need to be considerate of other people and to respect their "space" is essential. Students should never use profane or vulgar language, should never run, yell, scream, or make excessive noise while in the halls

Health Services

A full time Medical Assistant (MA) is available to students during the school day. Students who need to see the MA must have a written pass from their teacher, even during passing periods. Students must sign in as they enter the MA's office on the sign in log. Students who are ill and need to be picked up by their parents or designee must sign out with the front office. Any student with a medical problem (i.e. seizures, asthma, diabetes, or heart problems) should report the problem to the MA. Students who require medication during the school day must have their medication brought in by a parent/guardian in the original current prescription bottle and must have a parental medication release signed by their parent/guardian and the prescribing physician.

The MA is not responsible for assuring that students take their medication while at school and is not responsible to call students down that miss doses. Students may not carry medications while on campus; they must be kept at the MA's Office. Remaining medication must be picked up at the end of the school year by a parent or guardian, or it will be disposed. Students may carry inhalers at any time, but a signed parental/guardian medication release must be on file in the MA's office. All medication releases are good for the school year only and must be renewed annually.

Students with diabetes will be permitted to have immediate access to blood glucose testing equipment with them at all times if those accommodations are medically based upon appropriate documentation. Diabetic students should carry snacks and juice with them at all times and are encouraged to keep a supply of snacks at the MA's office. In order to be excused from Physical Education (PE), the student must bring a signed note from their parent/guardian to

the MA. If there are more than three consecutive absences, a signed Physician's excuse must be given to the MA that states how long the absence will remain in effect.

Students who have an accident or injury at school need to report it to the MA immediately.

Immunization Requirements:

Arizona law requires documentary proof of immunity against certain childhood diseases for students entering Arizona schools for the first time. With some exceptions, students subject to this requirement who lack documentary proof may enroll but not attend school until proof is provided.

Homework & Note Taking Policy

Homework is designed to be appropriate practice of the specific pieces of information taught during the lesson. Completion of homework by the student reinforces the skills and information presented in the classroom. Note taking during class allows the student to record the information taught during the lesson in a manner so that the student can recall the information and address questions that arise outside of the classroom. Both completion of homework and note taking during class are required of all students at all times.

Identification Cards

All students are provided identification cards which must be carried at all times during the school day. ID photos are taken for students. Students must have a current ID to check out library materials. In addition, an ID must be shown to gain entrance to all extracurricular activities including school dances. IDs are the property of the school. If defaced or lost, students must pay for the cost of a replacement ID which is \$5.00.

Leaving Campus

Parents/Guardians are expected to check in with the front office and produce a photo ID prior to signing out a student to leave campus.

Library Media Center

The Library/Media Center opens at 8:25 a.m. and closes at 4:00 p.m. On early dismissal days, the library will close at the end of the scheduled school day.

Checking Out Materials:

A CMS Student ID card must be shown; books can be checked out for two (2) weeks and can be renewed; students are limited to two (2) checkout items that are not textbooks. No fines are assessed; however, the student will not be allowed to check-out other materials until overdue issues are resolved, and students must pay for lost or damaged items.

Library Computers:

Staff members reserve the right to ask student users to relinquish use as warranted, especially if the student is in violation of the JO Combs District Technology Agreement.

Expected Behavior in the Library:

The rules of behavior are designed to protect the rights and safety of our students, faculty, and staff. Use the Library to study, to read, or to do research for class assignments. Each student is responsible for the proper treatment and return of all library materials. Work in a manner that allows others to concentrate; disruptive behavior may result in the loss of library privileges or expulsion from the library. Follow school policies – especially no use of cell phones or other electronic devices. Leave your food and drink outside the library. Respect not only the staff and other students, but also the library materials and furnishings.

Lost and Found

All lost or found articles should be reported and turned in to the front office. All unclaimed articles will be given to charity at the end of each semester. Please see administration immediately and fill out a report for any lost items presumed to be stolen.

Off-Campus Jurisdiction

In accordance with state law, violations in conduct by students going to and from school functions could result in disciplinary action. School rules and other reasonable expectations of acceptable student behavior are extended to include student conduct while off campus during the regular school day. This includes the student's conduct while going to and from school (time period from when a student leaves the front door of his/her home in the morning until returning to the front door at the end of the day) and release periods. A student may be disciplined by the school for any misconduct under these circumstances.

Parent Communication Tools

The district has implemented a program and process by which parents may check their child's academic progress. The service for doing this is called JupiterGrades. Using JupiterGrades, family members can access academic progress and other important information via the Internet.

After parents have entered into the system, they are able to view student attendance and current grades. This tool can be accessed from any computer that has Internet access. Please be confident that this information is secure and confidential.

Staff members may be contacted through e-mail. In general, all staff has the same ending address. Simply insert the staff member's first initial and entire last name before @jcombs.org.

Pedestrian Safety

Students are expected to cross streets at the crosswalks. Concern for the safety of students while walking as well as driving requires that this procedure be followed.

Planners

All students will be issued a planner. They will be expected to have their planner for each class. Students are responsible for writing the daily assignments for each class in their planner. Students must have a way to keep track of homework/project assignments and upcoming quiz/test dates.

If lost, students may purchase a replacement planner for \$5.00.

Progress Reports and Report Cards

Combs Middle School evaluates student progress every nine weeks. In addition, a progress report is communicated midway through the nine-week period. Quarter (first and third) report cards and first semester report cards are dispersed to students in CSS. Second semester report cards are mailed home.

Searches

School officials may search students, lockers, desks, backpacks, vehicles, and other belongings whenever reasonable suspicion exists that the health, safety, or welfare of students/staff may be in danger or that a rule/law has been broken.

Skateboards, Bicycles, Scooters, Razors, and Shoes with Wheels

Bicycles may be ridden to or from school as a form of transportation but must be parked in the bike rack area throughout the entire school day. Skateboards, scooters, razors, and shoes with wheels are not allowed on campus at any time.

Sportsmanship

The following actions constitute good sportsmanship from students, staff, parents and community members:

1. Provide positive cheering and other moral support for our team members.
2. Show respect for game officials and refrain from any unsportsmanlike act directed toward them.
3. Refrain from applauding errors by opponents or penalties inflicted upon them.
4. Refrain from criticizing players or coaches for loss of a game.

The following actions shall constitute grounds for removal from the particular event and/or restriction from attendance at further events: disrespect to either home or visiting participants and spectators, disrespect to school, security officials and game officials, throwing of any objects at any time, use of radios or CD/tape players in the gym during play, use of profane language or obscene gestures, being under the influence of alcohol/drugs, damage/abuse of school property, actions which are a potential hazard to health/safety/well-being of spectators or participants, horse play and other inappropriate behavior deemed sufficiently severe by the staff.

Students, staff members, parents and community members should remember that all school rules and regulations are in effect at all school events.

Student Council

Student Council is a positive activity in which students develop leadership, responsibility, and pride in themselves and their school. Students serve as officers. All student council members must meet set academic and behavioral standards. These standards are explained to the students and their parents before they run for office. The school

administration and student council sponsors reserve the right to remove students from office if these standards are not maintained.

Student Records

1. Parents or guardians have the legal right to examine the records of their student(s). If parents or guardians wish, they may be accompanied by one other person of their choosing at the time the student's records are reviewed. Parents or guardians have the right to question, in writing, the accuracy of any item in the student's records; this written response shall be attached to the disputed item. Parents/Guardians must give 24 hours written notice to the school when requesting to review records to allow staff to have all records ready/available for review.
2. JOCUSD will provide a hearing to challenge information in education records to ensure that such information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student.
3. Any hearings held will be conducted according to JOCUSD policy, which is in accordance with the Family Educational Rights and Privacy Act of 1974 and the implementing regulations.

Supplies

Students are expected to have the necessary supplies (notebooks, folders, paper, pencil, pens, highlighters, etc.) needed to complete assignments/projects and prepare for quizzes/tests in order to be successful in their classes.

Telephone Usage and Messages

Only in the case of an emergency, and with a pass from a teacher, may a student receive permission to use an office phone. Due to our busy days, only emergency incoming telephone messages will be taken for a student. Messages will be given at a time when classes are not in session. Students may call from the classroom if they have after school detention or activities.

Textbooks

Textbooks are loaned to the student. Students are responsible for the care of each book. Students will be charged the cost of the book if it is lost or damaged.

Title IX

The JO Combs School District will take all steps necessary to insure that, "The right of a student to participate fully in classroom instruction shall not be abridged or impaired because of age, sex, race, color, religion, national origin, handicap, pregnancy, parenthood, marriage, or any other reason not related to the student's individual capabilities."

Transportation

Students who walk, ride a bicycle, ride with another student, or ride a school bus to/from school are expected to exhibit good behavior when traveling to/from school. Misbehavior for this will be addressed and consequences may be assigned. Only students riding a bus to/from school may proceed beyond the blue gates to the bus loop area.

Bus transportation is available to students living outside the approved district radius of the school but is not available to students out-of-boundary. For a student (who does not normally do so) to ride the bus or for a student (who normally rides the bus) to ride a different bus, a written note from a parent/guardian must be brought to the front office that same day. A fax or e-mail is acceptable; verbal communication via phone is not. Bus riding is a privilege. Suspension and/or loss of bus riding privileges may occur if inappropriate conduct takes place walking to/from the bus stop, at the bus stop, on the bus, and/or when entering/exiting the bus. Students who are bus riders will be required to show their ID upon request.

Failure to do so may result in consequences ranging from a warning to suspension. Bus information may be obtained by calling 480-987-5309.

Vandalism

Defacement of any school property will require repair of the damage and/or monetary restitution to the school district by the parent or guardian of the student, in accordance with Arizona State Law.

Visitor Information

All visitors must receive permission to be on campus. Visitors must report to the main office upon arrival on campus and receive a visitor pass. All visitors who wish to visit a classroom must meet with the academic counselor (for regular education students) or the special education program specialist (for special education students) to discuss the purpose for visiting the classroom. The principal must give prior permission for any classroom visit. Visitors other than parents/guardians who are on campus for this reason will be asked to leave. In order to preserve the learning

environment, students are not to bring visitors to school. Visitors at athletic events, club activities, and any other school-sponsored event who do not behave appropriately may be asked to leave that event activity.

J. O. Combs Middle School has a voice mail system with which to communicate with parents, students and community members. To access the system, dial 480-882-3510 and follow the tutorial message. Please listen to the entire message before making your selection. If at any time you have trouble or need to speak with a "live" person, simply dial 0. Comb's voice mail system includes an attendance line and faculty/staff voice mailboxes.

Volunteers

The middle school volunteer program utilizes the donated time and energy of parents and community members. Volunteers can be seen helping out as clerical aides, nurse's aides, classroom aides and a variety of other capacities around campus. If a parent wishes to volunteer to assist in a classroom setting where his/her child is in class, the parent must sign in at the front office upon arrival and sign out in the front office before leaving.

If a parents wishes to volunteer in other settings in which he/she will be interacting with students on a regular basis, the parent must complete the district volunteer application form and submit for fingerprint clearance. Information for completing the paper work and specific steps for these tasks may be obtained by contacting the school secretary.

Code of Student Discipline

Combs Middle School is committed to the development of the whole person with emphasis placed on the development of good decision making and character. CMS embraces high expectations for students in all settings. By striving to achieve these expectations, students will develop the necessary self-discipline and self-respect required for continued success in the world of education and in their lives. These beliefs help to ensure a positive school environment that is safe, orderly, and supportive of learning. It is important that students understand the individual responsibility and accountability required for maintaining respectful behavior in all aspects of Combs Middle School.

Please feel free to refer to Governing Board policies JIC (Student Conduct), JICA/JICA-R (Dress Code), JICH/JICH-R (Drug and Alcohol Use by Students, JICF/JICF-R (Gang Activity), JICG (Tobacco Use by Students, JICI (Weapons), and JICK/JICK-EB (Student Violence/Harassment/Intimidation/Bullying).

Nothing in this handbook is intended to restrict school administration from amending the handbook at any time or imposing more or less severe consequences on a student.

Disciplinary Consequences:

- Conference

Student will have a conference with a staff member to address an inappropriate student decision that has occurred.

- Lunch Detention (LD)

LD is utilized as a lower level disciplinary consequence. When assigned LD, the student reports to the library during his/her lunch where he/she will have the opportunity to eat lunch and will use the remaining time to reflect upon the decisions that resulted in the assignment of the lunch detention. Students are not allowed to sleep or talk.

- In-School Suspension (ISS)

ISS may be utilized as an alternative to OCS. The administrator may elect to assign this as a means of providing a consequence for specific discipline categories.

- Off-Campus Suspension (OCS)

OCS is used to address inappropriate behavior and decision making and may be assigned for 1-10 days. When suspended, students cannot participate in any school-related activity or be on any campus in the district. Any work missed may be made up; the suspension does not count against the allowed absences within the attendance policy.

Guidelines for Selected Offenses/Recommended Disciplinary Consequences:

These are recommended minimum – maximum disciplinary consequences for misconduct. Depending on the circumstances of the offense and history of the offender, actual disciplinary consequences may be greater at the administrator's discretion. Please refer to policy JIC for definitions of offenses.

Absence without Permission: The absence from class/school with the approval of a parent/guardian or staff member

Minimum – Conference

Maximum – Suspension

accord with rules established for the referral of students and under the conditions of A.R.S. 15-841, when applicable. Under A.R.S. 15-843, disciplinary policies involving the confinement of students will require prior written parental notification. If applicable the prior written notice will occur either in the I.E.P. process or in a written student behavior contract. The School is exempt from prior written parental consent if a school principal or teacher determines that the student poses imminent physical harm to self or others. The school principal or teacher shall make reasonable attempts to notify the pupil's parent or guardian by the end of the same day that confinement was used (Policy JK, Student Discipline)
