

June 2018

Dear Parents/Guardians,

Summer is a time to for family and fun, but it's also a time to LEARN! We designed the Math Summer Boot Camp packet to guide your family to the key topics and resources for each grade level and to help you and your child explore mathematics in the world around them in fun and engaging ways. Please look for a link to this resource on the district website under the "Summer Learning" tab or go to:
https://district.franklinlakes.k12.nj.us/apps/pages/summer_learning.

Happy Learning!
The Franklin Lakes Math Committee

Please fill out the following sheet and return with your child in September.

Student: _____

Grade Level (September 2018): _____

This summer we worked on the following math topics together:

**please check off your child's progress in each skill so his/her teacher can continue to support this work in the new school year.*

Topic/Skill	Still may need some help	Almost there	Got it!
