Aloha

From Mr. Rippard
Principal

Aloha Mustang Ohana,

I hope everyone has had an opportunity to get to the beach, spend time with friends and family, binge watch their favorite TV show, and just rest and relax over the summer break. Congratulations again to the Senior Class of 2019. I have had the pleasure of seeing a few of them over the past week working, probably earning money for college or that cell phone bill. It was exciting to see them and hear them talk about heading out to their colleges soon.

Although June isn’t over yet and we still have July, we here at Kalaheo High School have already been thinking about, planning, and preparing for the upcoming school year. We want to create a smooth transition for everyone coming back and our new freshman class. There will be some very important information included in this month’s newsletter and in our “Back to School” mail out. Be on the lookout for that.

I encourage everyone to have some fun over the summer, rest, relax, but also take some time to think about how you would like to participate and be involved this coming school year. Is there a club that you want to join? Is there a sport you’re interested in going out for? I encourage you to take that leap and take that chance. This is part of your high school experience. Just some food for thought, the more involved you are, the fuller the experience.

As always if I can be of any help or support to you please do not hesitate to ask. I look forward to seeing you all in August. It is going to be a great school year!

With Aloha,

Mr. James Rippard, Principal
