

## Parking Regulations 2018-2019

Parking on campus at CHAMPS is limited and restricted to students who have a parking permit. Seniors will be given priority and Juniors are waitlisted until spaces become available.

In order to purchase a parking permit, you must provide copies of the following:

- Valid Driver's license
- Current vehicle registration
- Valid insurance (per California state law)
- Your CHAMPS ID card
- This registration form **signed by both parent and student**
- Payment of \$230/one semester \$450/academic year by cash, check made out to CHAMPS, debit or credit card (please note there is an additional \$1.50 processing fee on all card payments).

Only ONE permit will be issued per student. If a student needs to drive a different car they must provide the Office Manager ([hturner@champscharter.org](mailto:hturner@champscharter.org)) with the pertinent information of the new vehicle. Students who fail to display their parking permit while on campus or transfer their permit to another car without notifying the Office Manager risks losing their parking privileges for the remainder of the school year.

**We would like to remind you that parking in the parking structure is at your own risk. CHAMPS assumes no responsibility for any loss or damages while vehicle is parked on CHAMPS premises.**

On-campus parking is a privilege provided at the discretion of CHAMPS Charter High School. Violations of parking lot rules may result in your permit being suspended or revoked without refund of the cost of the permit.

### Parking Rules:

- **Obey the speed limit at all times.**
- **Do not litter.**
- **Yield to all pedestrians.**
- **Park only in your assigned spot.**
- **Display parking permit at all times while on campus.**
- **You may not visit your car during the day without explicit permission and a written hallpass from a teacher or staff member.**
- **You may not loiter or otherwise hang out in the parking garage.**
