March 2019

MEASURE SP CONSTRUCTION UPDATE
South Pasadena Unified School District

SPMS Old Gymnasium Rehabilitation Project

The Division of State Architects completed its review and approved the construction plans and specifications for the middle school old gym rehabilitation. The construction team is reviewing the documents for constructability and scope, and anticipating going to bid by the end of April 2019. Construction is scheduled to begin in June 2019.

SPHS Physical Education and Athletic Facility

The Division of State Architects is currently reviewing final construction documents. DSA approval is anticipated in the third quarter of 2019.
